A TRIBUTE

Henry M. Potts, for sixty years was actively associated with The Deposit Bank of Carlisle, Kentucky. Through his long banking experience he served in every capacity of The Bank. He resigned as President, January 13, 1952, but remained close to the actual operation and workings of The Bank until his death, August 21, 1958.

Mr. Potts was recognized throughout Kentucky as a good banker. He received many honors through the State Banking Association. He will always be remembered by his many friends in this and neighboring counties for his pleasant personality, his understanding and sincere sympathy for those in trouble and distress. He loved the young and the old and he took pride in helping young people get started in their business and professional lives and great was his joy when they did make good.

The Officers, Directors and Personnel of The Deposit Bank of Carlisle, Kentucky, have lost a great friend. The memory of him will always remain as a treasured tradition of the Bank. The Officers and Directors who grew up under his guiding hand and who were nurtured by him in the ways of banking will have the rest of their lives to remember and appreciate his sound business philosophy and unfailing integrity.

Total Receipts 635

Incentive price for wool set

The Department of Agriculture has announced a shorn wool incentive price of 62 cents per pound of wool for the 1959 marketing year which begins April 1, 1959, according to H. S. Vice, Chairman, Nicolas County Agricultural Stabilization and Conservation Committee. A mohair support price of 70 cents per pound has been set for the same year.

These 1959 prices are the same as for the first 4 years of the National Wool Program running from 1955 through the 1958 marketing years. New legislation enacted this summer extends the program for 3 more years—ending March 31, 1962.

Payments to producers for 1958 will follow the same methods as for the current year the Nicholas County Agricultural Extension Office announces. Shorn wool payments will be equal to a percentage of each producers cash returns from wool sales. The percentage rate will be that required to raise the national average price received by producers for wool up to the incentive price of 62 cents per pound.

Lamb payments will be made to each producer who sells lambs for which he has been shorn. These payments will be at a rate per hundredweight to live animals marketed to compensate for the wool value of the lambs comparable to the incentive payment per pound on shorn wool. The payments will be made on the weights of the sales of lambs during the period of ownership by each owner

County ASC officials are now making payments for the 1957 marketing year which ended March 31, 1958

No mohair payments have been made during the first 5 years of the wool program because the average price received by producers where the support price. Prices in recent months have been near the 70-cent support price and payments may be required for 1958 marketings.

200 AT REUNION OF MIDWAY COLLEGE

The annual homecoming for Midway Junior College and Brakerton High School Alumnae at Midway over the week end had a registration of 200.

Miss Laura Mitchell of Moorefield was elected president of the organization.

Attending from Carlisle were Mrs. Anna Murray and Mrs. Earl Seamands.

PROPERTY TRANSFERS

Harry Duncan and wife to Arthur Craig and wife, tract on Hickory Ridge dirt road.

Henry A. Palmer, executor of estate of Everett M. Smith to James B. Ledford, three tracts on Carlisle-Sharpsburg turnpike.

Children's pictures taken free and published in the Mercury

It is an undisputed fact that the responsibilities of tomorrow's world our Nation, and Community will rest upon the shoulders of the children of today. Since this is true, the publisher of this newspaper would like to give you a good look at these future World Builders.

The only way we can do this is by publishing pictures of them in a feature series. To assure the latest and best reproduction pictures they must all be of uniform size and quality.

An expert children's photographer with all the necessary equipment for this specialized work, will be here Monday, October 20. Pictures will be taken at Bourbon Laundry in Carlisle, will be open from 10 a.m. to 5 p.m.

No Charge to Parents

There is no charge to the parents. There are absolutely no strings to this invitation. It is bonafide in every sense of the word. Parents do not have to be subscribers nor even readers of this newspaper to take advantage of this feature. Neither are they obligated in the purchase pictures after they are taken. Those who want some additional prints may obtain a limited number by arrangement with the studio representative when they select the pose they want printed in the paper. It is entirely up to them.

The More Pictures, the Better

The Carlisle Mercury simply wants pictures of all the young sters and the more the better. So the Mothers and Fathers of the community in which this paper circulates should remember the date—October 20 at Bourbon Laundry in Carlisle and not fail to bring their children to the photographer.

You will be mighty glad, afterwards, if you did, and very very sorry if you do not. pictures of your children to participate in this event. The kiddies will have much fun and both Mother and Dad — and the youngsters to see their pictures printed later.

Appointments may be made by calling Mrs. Mason Clay Smith, phone 9182, Carlisle

Home instruction for handicapped

By Mrs. E. Talbert

For the past two years Nicholas County has provided instruction for the children who are unable because of a physical handicap, to attend a regular school. Their schedule is set up on the same basis as a regular class-room unit. A child enrolled in the home instruction program and receives instruction on the basis of the minimum standard of two visits a week is considered as being in school attendance five days. Attendance records are kept by the teacher and grades are given just as in a regular school program.

At the present time we only have five children enrolled in the Home Instruction Program, but the enrollment varies from time to time We have had as many as eleven enrolled at one time Their physical handicaps are varied—one with rheuma fe fever, one who has had polio and is confined to a wheel chair, one cerebral palsy, one who is crippled and one with a serious speech impediment

The grade level has included nearly all grades at one time. At present we have one child in first grade, one in the third grade, one in the fourth grade one in the seventh grade and one in the eighth grade. Some of these children are much older than children at the same grade level in a regular classroom but they have never had the opportunity to go to school They learn very quickly and are very eager to please

To be enrolled in the home instruction program the child must have a medical certificate from a qualified physician Children with communicable diseases are not accepted for this service

It is true that the similarity to regular schools ends The teacher becomes very attached to her children and is almost as one of the family At the end of a home day or school day you get to know the child on a very personal basis You are better able to understand the child because of the close contact.

The following children are enrolled in the Nicholas County Home Instruction program under Mrs. Eleanor Talbert as teacher.

Beverly Ann Lykins. Barbara Ann Lykins Livingood Route 1 Moorefield Helen Rose Blake Route 1 Moorefield. Sally B Lynam Jacks town road. James R. Duncan Route 8 Carlisle

Officers named for National Guard auxiliary

The newly formed National Guard Auxiliary met at the Carlisle Armory Wednesday evening, Oct. 1, for the election of officers for the 1958-59 year

Named were Mrs. Nathan Young Jr. president Mrs Harold Linville, vice president. Mrs. Bobby Crockett, secretary-treasurer Mrs Phil Hillock and Mrs Billy Doyle, publicity

The next meeting of the auxiliary will be Nov. 5 at 8 p.m. at the Armory

MEETING POSTPONED

The meeting of the OES club of Marie Chapter will not meet on Friday as announced. A later date will be given.

E. E. Wasson Carlisle native retires

E. E. Wasson, Chief Station Engineer at Interstate (911) Pipe Line Company's Finney station, near Shreveport, retired effective October 1 after nearly 45 years of service with the Company. Supervisor of the Vivian (Louisiana) District honored Wasson at a luncheon in Shreveport on Friday, September 26, at which time they presented him a farewell gift.

A native of Carlisle, Wasson first joined the Pipe Line Department of Standard Oil Company of Louisiana as Interstate predecessor, in December, 1913, at Flora Station near Natchitoches, Louisiana. Over the years he has served as chief station engineer of Weiler Ida, Rapides, Flora, Moore and Finney Stations. He has resided in Shreveport since 1951. when he was made chief station engineer of Moore Station In 1954 he became the first chief station engineer of Interstate's new automatic Finney Station

Wasson has been a member of supervisory management for 37 of his nearly 45 years of

(Continued on page 8)

Home Ec. teachers hold meeting here

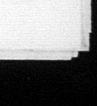
The limb struck him on the head. Six stitches were required to close the wound. He was treated at the Nicholas County hospital and released.

Claire Berry to be Evangelist at local Christian Church

Revival Services at the local CHRISTIAN CHURCH will feature Evangelist Claire Berry and Singer Vivian Voce Oct. 12-26. Nicholas Countians are invited to hear this young, Christian team, as the services will be held out each night at 7:30 (except Saturday), according to the pastor, Lanis E. Kineman. Brother Berry will be remembered by many as the Evangelist who attracted wide attention last year in services at Concord. A native of Richmond, Indiana, Bro. Berry attended Johnson Bible College and Butler University, School of Religion in Indianapolis. The Song Evangelist, Vivian Voce is a native of the state of California, and a new-comer to Nicholas County.

Nursery Facilities will be available each evening for small children.



COURT RECONVENES HERE FRIDAY

Nicholas Circuit Court will convene at 9:30 a.m. Friday, Oct. 10 when the case of Mrs. Emma Lee Bussell is scheduled for trial. Mrs. Bussell was charged with illegal possession of alcoholic beverages.
