Jackstown

By Mrs. Kenneth Kearns

A four-day revival will begin Thursday night, Nov. 6, at the Jackstown Church with Glen Leonard of Ennon, Ohio, evangelist. Services will be held at 7:30 p.m. (fast time) daily through Sunday. Rev. Curtis Jones is the pastor.

We were glad to see Mrs. Martin and Mrs. Georgia Sievers able to be at Church Sunday.

Mr. and Mrs. Clarence Ingels of Bourbon county, visited Mrs. Hollis Danelle Sunday.

Mr. and Mrs. George Sexton have moved to the property of Johnny Wasson in Jackstown.

Miss Carol Hamilton of Frankfort, spent the weekend with her parents, Mr. and Mrs. Walter Hamilton.

Mr. and Mrs. Roy Sapp of Paris, were guests of his parents Sunday.

Mrs. Julia Smith of Lexington, was the guest of Mr. and Mrs. Bascom Banta and other relatives and friends for the past two weeks.

Mr. and Mrs. Kenneth Kearns visited Mrs. Gladys Barney in Carlisle, last Friday night.

A. W. Packet spent Saturday night in Paris, the guest of Mr. and Mrs. Charles Day.

Allen Snapp is improving nicely at the Bourbon County hospital after a recent automobile accident.

Ellisville school children drink more extra milk

In the Ellisville school 78 students enrolled during the month of September drank 1,022 half pints of "extra milk" in addition to the regular milk served with the 1,209 hot lunches provided for the children.

One of the phases of the school lunch program is to provide "extra milk" at the minimum cost of two cents per one-half pint per child. This milk is offered for a recess period and furnishes the child the best nutritional nourishment he can possibly get for such a low cost. Parents are encouraged to give their children money for extra milk instead of candy. Better health for the child will be the direct result.

Inside the walls of C.H.S.

by Harriet Clark

Hi There: Bet you've been wondering what's happening inside the walls of C.H.S. and here I am to tell you.

Last Friday night Carlisle versed Cynthiana. We lost the game 13 to 19. But don't be ashamed of our boys. Be Proud of Them. They played their best and even if we lost the game, we won the real victory. Our boys proved what they can really do. You could hear their team spirit and determination in the air. They is well at Mt. Sterling, boys, and we'll have no regrets about our football season.

We had a better cheering section at the Cynthiana game than we had at our home games. There were's too many there but they really yelled. No one could ask for anymore.

Thursday the various clubs met. The Seniors presented a play as their program in Home Society entitled, "Crazy Red Riding Hood", a modern version of "Little Red Riding Hood." So if you heard howls of laughter coming from our direction, don't be alarmed. It's probably just the Home Society. The Conservation club, Science Club, and Latin club also met Thursday.

If you saw a Senior girl or boy dressed in their Sunday best Wednesday, you probably guessed the reason. There are only two times a Senior is dressed up for school; when we graduate and when our Senior pictures are taken. Since its too early to graduate, you must have guessed that we had our faces shot (with the camera, of course). Young and Carl also took pictures of the different clubs and organizations for the annual.

The Musketeer Review, our monthly newspaper, will be on sale Friday. If you want a paper, see Diane Ratliff or Lynda Snelling, circulation managers.

The papers are on sale in the drugstore or if you'd rather have your paper sent to you to make sure you don't miss a single exciting issue, why not buy a subscription. For a subscription, see Becky Barlow, exchange editor. What ever you do though, just don't forget to buy one.

For two hours Tuesday morning, nine students slaved over the Scholarship Qualifying Test. This test is given to students all over the United States. If they make good on the test, these students could receive a scholarship from nearly any college in the U. S. Those taking the test were Miss Katie Lou House, Emma Lou George, Becky Barlow, Kelly Kennett, Charles Vice, Mary Glenn Fosback, Lynda Snelling, Charles Skeen, and Harriet Clark.

After the test the band members marched down town to play for the Tobacco Festival. We had only one day's practice as a concert band, coming straight from marching season. The band really enjoyed themselves in Richmond Saturday, although we were a tired little bunch when it was over. We made quite a hit with our precision marching. We may be only the people don't seem to notice that after they see us march or hear us play.

F.H.A. officers went to the District meeting in Mt. Olivet Saturday. Our group had much to do with the program. Lynda Snelling presided over the program, Becky Barlow gave a monologue during the talent show, and Emma Lou George spoke to the group concerning the National meeting which she attended this summer as state secretary. Other officers from our chapter who attended were Nancy King, Phyllis Medley, and Maxene Dotson.

We certainly had many exciting events taking place last Saturday. At the Boy Scout parade in Paris, each school was represented by a queen. Diane Ratliff, represented Carlisle and Bach girl was taken to dinner and given a gift after the parade and judging.

The Dixieland Band from Nicholas County came to entertain us Thursday morning and since we're such a great group of jam-friends we really enjoyed them.

Farwell, gang, until next week.

3 charged with beating, robbing man

Three Harrison county men were arrested at Cynthiana, Saturday and charged with beating and robbing Lee C. Berry, Cynthiana, at Jackstown in Nicholas County, late Friday Friday night, October 17.

The three suspects who were returned to Nicholas County and lodged in jail at Carlisle are Charles McKinney, Floyd Garrison and Russell Beagle.

Berry, 55, a native of Fleming was employed by a Cynthiana feed market. He suffered fractures of both jaws and a deep laceration on the lower lip. His watch and wallet were stolen.

Berry was found beside his car about 2:30 a.m. Saturday near Jackstown. A Mr. Wilby who was passing by noticed Berry's car and saw that the wheels had been removed. When Wilby stopped, he found Berry, who was nude. Wilby took Berry to his home and called the sheriff.

Georgetown College scene of KEA workshop

Several teachers in the county who attend Saturday classes at Georgetown College were present at the Kentucky Education Association workshop held on Saturday, Oct. 18.

The outstanding speaker was Dr. Karl H. Berns, NEA Assistant Executive Secretary of Field Operations, Washington, D. C. Dr. Berns lectured on "Education for a Space Age."

He outlined the three great defenses of America. The first one is the great radar screen in the Artic; the second is the superiority of the thermonuclear power. The third defense is the school system.

Dr. Berns made this statement "The tax dollars we spend for public education here in a way of return more than any other tax dollar spent."

He pointed out that our school system has been greatly criticized since "Sputnic" Then he asked the question, "What are we going to say about American Education?"

His answer was first—good in America we have education for all the children of all the people. Our system has prescribed a high degree of local democratic control of education.

We have the finest school plants in the world and we have good curriculums.

Dr. Berns did point out that American education could be improved by lifting the economical status of teachers and by giving better pay respect for our teachers. Also better tools for education should be provided.

Then he pointed out a way to save tax payers money—if teachers didn't have to waste their time to reteach pupils what should have been taught at home—discipline.

He showed a picture of the new National Education Association Center in Washington and said it is the only building of its kind in the world.

'Get Acquainted with N.C.G.S.'

by Mrs. Clarine Gudgell

The Halloween Carnival held last Thursday night at our school was a big success. The teachers, P.T.A., and our lunchroom workers, Mrs. Elisabeth Conyers and Mrs. Billie Ockerman wish to thank each parent present and all who attended for helping us make it the most successful carnival we have ever had.

Penny Brookshire-fifth grade —was crowned Queen and Terry Kenney-first grade— was crowned King. Tommy Ockerman and Linda Ritchie were prince and princess. Costume winners were Janet Morris for the prettiest and Larry Gudgell singer for the ugliest. Hula Hoop Winners were Virgil Wagoner, 3 year old, preschool. Ruby Sloan, 2nd grade, Marilyn Gaunce, 5th Grade.

We have an enrollment this year of 165 pupils. We have the following teachers and enrollment by grades: First Grade—29 pupils—Mrs. Lillie Fenwick. Second Grade—27 pupils—Mrs. Lucille Clark. Third and Fourth Grades—29 pupils—Mrs. Dorothy Sundys. Fourth and Fifth Grade—25 pupils—Mrs. Clarine Gudgell. Fourth and Sixth Grades—29 pupils—Mrs. Jeanette Wallace. Seventh Grade—29 pupils—Mrs. Laura Mathers.

Each teacher tries to stress the importance of each child eating the well-balanced meal that is served at noon. Over half of the children drank an extra bottle of two cent milk sometime during the day. We'd like for each parent to help us to carry out this very essential health program.

The modern trend in teaching emphasizes the use of visual Aids. Two or three times a month we have a free educational film. These films have also been on various subjects such as making paper, drilling for oil, and on important places in the United States.

We also use the Filmstrip especially in Reading in the Primary Grades.

This year the School and P.T.A. have employed Mrs. Annabell Burden to teach Public School music a half a day each week. The children can hardly wait for Tuesday morning to come. We hope to have a Rhythm Band in the Primary Grades later on this year.

Mr. Duncan and Mr. Holland have organized our Junior Conservation Club. The officers this year are: president, Johnny Sandidge; vice president, Dorsan Allison; secretary, Linda Ritchie; reporter, Phyllis Asbury.

Mr. Mathes is the sponsor of the 4-H Club. The following officers have been elected: president, Linda Ritchie; vice president, Phyllis Faulconer; secretary and treasurer, Don Sundys; reporter, Dorcas Allison; song leader, Sharon Ockerman; and recreation Leader, Larry Morris.

Mr. Don Hamm, who is with Inter-State Studios, was here Monday and took our pictures.

We wish to extend an invitation to each parent to visit our school. If you aren't a member of the P.T.A. come to next meeting on the second Monday night in November.

DONNA REED'S professional life is punctuated by "B. E." and "A.E." — before and after "Eternity" ("From Here to Eternity") . . . Prior to her academy award-winning portrayal of "Lorene," Donna refers to her acting career as one filled with "vanishing pantsky" parts . . . After "Eternity," however, Donna's acting stock are in Hollywood seemed to new heights . . . She became selective with new material and was in huge demand by all Hollywood producers . . . The producer with the inside track was husband Tony Owen, with whom Donna always dreamed of teaming . . . Together they formed Todon Productions, which, in association with Screen Gems, produces the new ABC-TV "Donna Reed Show" seen Wednesday nights.

Donna had longed for the time that she and Tony could find the proper vehicle upon which to base suitable TV fare—the kind that would serve as entertainment for an entire family.

As a child on her Dad's farm, Donna could handle a tractor, milk a cow and bake bread (she still bakes today) . . . Originally she aspired to a teaching career, but following her election to high school queen and consequent star of many campus plays, she changed direction toward a theatrical future . . . In Hollywood, she attended Los Angeles City College, where she again was elected campus queen . . . She had three studio contract offers within 24 hours after that college honor . . . Even after she signed with MGM she continued talking business courses "just in case."

Her real name is Donna Mullenger and she hotted with another newcomer, Tea Berlin . . . They both passed soft her first movie was "The Getaway" . . . Donna and Tony were married in June 1941 and have four children: Penny Jane, 12; Tony, Jr., 11; Timothy, 9 and Mary, 16 months.

Moon to give Christian Science talk

The healing power of divine Love will be the topic of a free public lecture on Christian Science to be given in Lexington, on Thursday, October 30, by Albert Clinton Moon of Chicago.

Mr. Moon will speak in Henry Clay high school auditorium, Main and Walton at 8:00 p.m. under the auspices of First Church of Christ, Scientist, Lexington. His subject will be "Christian Science Reveals Divine Love in Action."

A member of The Christian Science Board of Lectureship, Mr. Moon is on a nationwide speaking tour. A native of Lorain, Ohio, he withdrew from business in 1933 to devote his full time to the public practice of Christian Science healing. He has been an authorized teacher of Christian Science since 1943.

Renovation of pastures timely project

Old pastures can be renovated with good results, according to the Kentucky Agricultural Extension Service agronomy department point out.

Yields can be considerably increased, researchers have found at the Kentucky Experiment Station, by adding lespedeza and observing certain rules.

1) Graze or clip old sod closely prior to renovation; 2) apply needed lime and fertilizer, especially potash. 3) disk the pasture so as to disturb from 40 to 60 percent of the present sod; 4) seed adapted legumes at the proper time and in recommended rates for pure stands; 5) manage the stand to benefit the legume by clipping or grazing; and 6) control harmful insects.

Such renovation work can be done in early spring or late summer. Timing is the prime factor in the process, Warren Thompson, extension agronomist, pointed out.

Farmers planning spring renovation should test pasture areas now to determine fertility and limestone requirements. The limestone can be spread this fall or during early winter.

Farm-City Week schedules set

Observance of National Farm-City Week Nov. 21-27 will touch all phases of rural and metropolitan life.

For instance: To show the mutual dependence of farmers and city people, day-by-day programs have been set up throughout Kentucky communities.

Friday, Nov. 21: "Community Day," when farm and city folk join to view their own area's outstanding accomplishments, installations, etc.

Saturday, Nov. 22: "Sports Day," when local athletic events will include programs marking the Farm-City Week.

Sunday, Nov. 23: Recommended as "Religion Day," featuring the observance Churches have been asked to feature the Farm-City Week services that day.

Monday, Nov. 24: "International Day," with emphasis on farming problems of the U.S. and how similar problems are handled in other countries.

Tuesday, Nov. 25: "Women's Day," with farm women being invited to city civic, fraternal and business clubs as special guests.

Wednesday, Nov. 26: "Youth Day", where both farm and city youngsters are taken throughout and observe industrial installations to show independence of farm and city folk.

Thursday, Nov. 27, Thanksgiving Day, special day of thanks for blessings of both farm and city dwellers.

To use some of that good new sorghum, send for your copy of "Kentucky Sorghum Recipes," Leaflet 173, to the Bulletin Room, Experiment Station, Lexington, Ky.

All Right...Let's TEST CATHOLIC LOYALTY!

The majority of non-Catholics do not question the patriotism of the Catholic Church in America.

They have seen too many Catholic sons die beside their own on countless battlefields. They have stood too often with Catholics in defense of common ideals and a common heritage.

Yet the ugly voice of bigotry is heard again — warning that Catholics owe allegiance to a foreign potentate" that "Popery" is a "menace to democracy" even that Catholicism is as "totalitarian as Communism."

Informed non-Catholics will scorn these unworthy accusations. But in the interest of truth and good will among people of all faiths, this miserable skeleton of intolerance should be exposed, for the benefit of the many who otherwise may become unwitting victims of false and misleading books, tracts and other anti-Catholic propaganda.

Catholics are called "undemocratic" because they have their own schools. By the same reasoning, all other denominations with church-sponsored schools and colleges could be likewise condemned, despite the fact that religious schools provided tax-supported schools in the United States and Canada, and that most of our private and parochial schools and colleges are supported by religious bodies.

The Catholic Church is called an "alien" religious because the Vatican is located in Italy.

All of the major religious faiths of the United States and Canada had their origin in foreign lands. And the fact is that the religions professed by these bodies are at this very time the wave religious movements in foreign lands. But no anyone call them "undemocratic" for near 2000 years, the Catholic Church has existed under any and all forms of government. In people comply with the political system of the day they live in, refusing to comply only if a political state should command them to violate God's law. An example is the Catholic resistance to Communism wherever it appears — because Catholicism and Communism are incompatible.

In the interest of harmony and good will, and as a matter of Christian and intellectual honesty these misconceptions of the Catholics before seeking to judge them. We will send you free, in a plain wrapper, a booklet which gives a clear picture of the Catholic Church in its position to government and the social order. And nobody will call us you. Write for Pamphlet No. KC-55.
