PROHIBITION WON'T WORK BUT THIS NEW CONTROL PLAN! 1. Sales by qualified licensees in City limits of Carlisle, County and City authorities. 2. No sales to minors. No Sunday sales. 3. Better law enforcement. 4. Much need revenue to our City and increased trade dollars to our merchants.

Key your kitchen to modern living THE UNIT THAT NEVER FORGETS ... it's Electric of course!

LET'S BUILD ON EXPERIENCE Prohibition has been a failure in Carlisle for the past 16 years. Our enforcement officials and courts have made an honest effort but they have been over-matched. No law can be enforced that the people as a whole do not endorse.

IMPROVE Law and Order with the new Legal Control Plan VOTE "YES" Saturday September 27 For a better community
