Nicholas County

(Continued from page 1)

is only 3 more than the requirements for two teachers.

The cost of operating the East Union school on a per pupil basis will greatly exceed that of any school in the County because of the extremely low enrollment.

Ellisville had an enrollment of 79 and has three teachers assigned. The Ellisville school required four teachers last year. Parks with 92 and Myers with 83, each have three teachers with about the same enrollment as last year. Moorefield, with five teachers, enrolled

153 which is an increase and the local guard unit to have a pin ball machine for their private use.

Nicholas County Grade, with six teachers, enrolled 162 which is a slight increase.

Curfew ordinance given first reading. No time or penalty set. Councilmen to contact local persons concerning their desires on the curfew law.

The enrollment at the Nicholas County high school is increased for the high school but decreased for the eighth grade making the combined enrollment slightly lower than a year ago.

Courtney-Harper to run gas line from in front of Dr. T. P. Scott's property across Locust street to court house yard and through court yard (subject to court's approval) to police station. Since the erection of the police station building, bottled gas has been used for heating.

Harper-Galbraith to pay current bills.

A motion by Poe carried to improve the parking area at the city reservoir and build a shelter house.

Council meets gives curfew first reading

The September meeting of the Carlisle city council was held last Thursday evening, Sept. 4 with the following in attendance: Mayor Bill Power, City Attorney Roger Womack, City Clerk W. J. Greene, Councilmen H. C. Galbraith, Robert Courtney, Rector W. Smoot and Teddy Poe.

Following the reading of the minutes of the August meeting and their approval, Mrs. Rita Bell Alexander and Dr. B. F. Reynolds, representing the Nicholas County Health Department, requested that council defer a rent increase passed last month because the department's budget for 1958-59 had already been made and no funds were available for the increase. A motion by Galbraith to defer the increase passed.

Otis Broderick appeared before council to request the extension of water and gas facilities to the property line of a house to be built on the south side of Second street, bounded by the cemetery. A motion by Coatney, seconded by Smoot, passed and the water, gas and sewer committee was instructed to provide adequate facilities. The water line will need to be extended from Sycamore Hill and gas line from Sharon Way and Second street.

Walter Wyrick reappeared before council seeking a reduction in the motion picture show license. A motion by Coatney, seconded by Poe passed and the ordinance was amended to provide an annual license of $15 instead of $75 for theatre operation.

Building permits were issued Urban Freibach to remodel a house. Motion by Smoot, seconded by Harper. Broderick to erect house on second street. Motion by Poe, seconded by Courtney.

A motion by Poe, seconded by Coatney passed to allow Billy Ingram $15 worth on a broken water line.

Monday, September 22, tentatively set as date to consider adoption of 60% co-insurance plan for providing fire insurance on city building and equipment.

Smoot-Galbraith to increase Oliver Vive's expense account by $5 per month passed.

A motion by Poe seconded by Coatney passed to permit

WOMAN IS FINED

Carlisle 13 Stanford 7

Fullback Stanley Wilson passed to end Kelly Kinnett for two touchdowns in the third quarter here Friday as the Carlisle Musketeers defeated Stanford's Wildcats 13-7.

Wilson's first pass covered 60 yards, while the second, on an identical play, went for 40 yards. Wilson also kicked the extra point after the first TD.

Stanford scored in the fourth quarter when Harvey Neyhor went 30 yards on tackle

by Bill Leedy

After a hard fought victory over the Stanford Wildcats, the Musketeers are preparing for the Lancaster game on Sept. 26. The overall play of the team was improved over our first game. The boys made fewer mistakes We felt somewhat proud of the boys because Stanford has improved over last year's team. Some of the standouts in the line are Duane Polley, Stanley Wilson, Roy Dotson, Elva Clark, along with Kelley Kinnett and his snaring of two TD passes from Wilson. Other boys also turned in good performances. David Johnson, no doubt the smallest QB in the State, did an excellent job of running the team.

A lot of work will be done in bettering our backfield. The in the experience of the team has shown but the boys want to and are improving. The loss of such boys as Brownie Hollar, Floyd Bussell, Gayle Vanlandingham and Jimmy Harris, because of injuries, has hurt us tremendously but the other boys are filling the gaps and doing a good job. Vanlanding-ham is working out with the team and may be ready for action against Lancaster.

ON TO VICTORY—These winsome lasses urged the Carlisle Musketeers on to a 13-7 win over Stanford Friday night at the local athletic field. From left, Becky Barlow, Emma Lou George, Geraldine Hall, Diana Ratliff, Harriett Clark and Gladys Ruth Clinkenbeard make up the Carlisle high school cheering section—Elder photo

Death claims Mrs. Reynolds in hospital

Mrs. Virginia Cooke Reynolds, 69, wife of Dr. B. F. Reynolds, Nicholas and Bourbon County health officer, died at 5:15 p.m. Tuesday at St. Joseph's hospital, Lexington, after undergoing surgery there Monday. She was conscious in the afternoon, but Tuesday morning the family was called when her condition was pronounced critical.

Mrs. Reynolds was a native of Harrodsburg. She was active in several Carlisle religious and civic clubs and was librarian of the DAR in Bourbon county and Paris. She was a member of the Christian Church in Carlisle and served two terms as Post Mistress here.

Other survivors are two daughters, Mrs. George Vutsas, of Huntington, W. Va., and Mrs. A. E. Verdery, Atlanta, Ga., two sons, Frank Reynolds, Winston-Salem, N. C., and Sam Cooke Reynolds, Harrodsburg; a brother, Sam E. Cooke, Harrodsburg, and three grandaughters.

Committal services will be held at 4 p.m. Thursday (today) at the grave in the Carlisle cemetery, with Rev. W. R. Reborn and Rev. L. F. Kinsman, officiating.

Pallbearers will be Lee Osborne, E. P. Planstiel, William Harper, W. Nathan Young Jr., H. A. Palmer, W. R. Buntin Jr.

The body is at the Mathers Shearer funeral chapel.

The family requests no flowers.

Polio vaccine funds exhausted

The Nicholas County Health Department has received notice from the State Department of Health that the supply of polio vaccine has been exhausted and that funds for any additional purchases of the vaccine will no longer be available

The local Health Department will not start any new immunizations of polio vaccine but will endeavor to finish up the patients that have already had one or two of the series.

Since this means that, if the polio immunization program is to continue that financial support of such a program will have to come from some local source.

Dr. B. F. Reynolds, Health Officer of Nicholas County is endeavoring to solicit funds from local organizations for the purchase of vaccine which will be purchased by the State Department of Health at a special price granted to tax supported organizations such as health departments, state hospitals, etc. He is hopeful that such funds ill be available so as to continue this program for the protection of Nicholas Countians.
