CHRISTIAN SCIENCE

The every availability of the scientific power taught and practiced by Christ Jesus will be emphasized at Christian Science services Sunday.

Readings from the Bible in the Lesson-Sermon entitled "Christian Science" will include the following: "Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope, through the power of the Holy Ghost" (Romans 15: 13).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this statement (568: 13-18):

"The impersonation of the spiritual idea had a brief history in the earthly life of our Master; but 'of his kingdom there shall be no end,' for Christ, God's idea, will eventually rule all nations and peoples—imperatively, absolutely, finally—with divine Science."
