CHRISTIAN SCIENCE

The value for today's world of the works and words of Christ Jesus will be brought out at Christian Science services Sunday.
The Lesson-Sermon is entitled "Christ Jesus." Scripture selections will include Jesus' reply to the messengers of John the Baptist (Luke 7:22): "Go your way, and tell John what things ye have seen and heard; how that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached."
Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (131: 26-30): "The mission of Jesus confirmed prophecy, and explained the so-called miracles of olden time as natural demonstrations of the divine power, demonstrations which were not understood. Jesus' works established his claim to the Messiahship."
The Golden Text is from John (1: 17): "The law was given by Moses, but grace and truth came by Jesus Christ."

Moorefield

By Miss Lena Haselrigg

As it has been sometime since I have written for the paper I should like to begin by thanking everyone who remembered me in anyway while I was shut-in. For all the pretty cards, letters, telephone calls, visits and gifts, thanks so much. They did so much to brighten the shut-in days and make them pass more rapidly. Also to the C.W.F. for the lovely flowers, to my Sunday School class for their gift and to the ladies of the Christian Church and other friends for the Sunshine box that contained so many pretty and useful gifts. It was just like Christmas in February. Again thanks to everyone. Then, too I would like to put in a plug for the Mercury. Received letters from California, New Jersey, Ohio, Indiana and many distant Kentucky towns, all saying we read of your accident in the Mercury. Which shows the Mercury has a wide circulation among former Nicholas Countians. I also received a letter from Puerto Rico. It was mailed Feb. 4 at 6 p.m. and arrived at the Moorefield P.O. Feb. 6 at 9 a.m. Which reminds us of our wonderful transportation and postal service and of how small the world is today.
Sunday, Feb. 8 was a Red Letter day in the Moorefield Christian Church when the Rev. Ben Hobgood and Mrs. Hobgood and the children were our guests for an all day service. As many of you will recall Ben and Betsy served our church for four and one half years, and we all learned to love them very dearly as was proven by the large crowd that greeted them at all the services. We hope they can visit us again before their furlough ends.
Mrs. J. H. Bromagen visited her brother, Glenn Gilvin and family in Harrodsburg, several days last week.
Mr. and Mrs. Joe Smart and Joan have moved to their new home recently purchased from Roy Blount, and Mr. and Mrs. Harvey Wilson and Joseph have moved to the home vacated by Mr. and Mrs. Smart which they purchased. Mr. and Mrs. Joe Wilson have begun remodeling their home recently purchased from the Harve Wilson heirs. They plan to move as soon as the work is completed. Mr. and Mrs. Elgin Clark and family have moved to Carlisle.
Mr. and Mrs. J. T. Hazelrigg and children and Miss Hazel Burgher, Winchester, and Mr. and Mrs. James Heflin and baby, Cincinnati, were Sunday afternoon visitors on Miss Lena Hazelrigg and Mrs. Reid.
Mr. and Mrs. Ralph Toy's home at Miranda was badly damaged by fire Saturday morning. No one was at home when the fire was discovered by neighbors who helped to save the house and contents, but both were badly damaged.
Mrs. Walter Bradley, Mrs. Harvey Wilson and Mrs. James E. Reid were in Paris shopping Friday.

COMMENT

Kay T. Fisher

For a week I had been hearing a robin near our back door and I am sure I wasted several hours during the week trying to catch a glimpse of him. Then early last Friday morning—one of the coldest days—I heard a clatter in the yard and there not only braving the cold but several starlings was the robin fighting for his piece of suet. This was my first visual sign of spring. Since then, I have seen the early spring bulbs peeking from the ground and if you listen, you can hear the sounds of spring.
I have several bouquets of yellow forsythia in the house cut and brought in several weeks ago when I was desperately trying to hurry spring along. Now in this last week of February one cannot help but feel lighter in spirit for March holds the promise of spring. Soon that first crocus will bloom and from then on there will be a blossom of some kind unfolding each week to make our days brighter.
Don't rush thru the days and miss the first spring song of the birds or the thrill of the first spring flowers.
