NEVER NEED CHANGING!
Modern Space-saving Combination
ELECTRIC WASHER-DRYER
in ONE compact unit

You get two appliances for the money—with a tone-saving, work-saving, combination electric washer-dryer. This single compact unit soaks, washes, rinses, dries clothes automatically in one convenient operation. You dry clothes as clean as you wash them in clean electric heat. Whites dry white and colors bright . . . clothes come out soft and fluffy — ready for ironing or storing.
Combination electric washer-dryers combine all the advantages of separate units — in one space-saving cabinet. See your dealer.

Put it where you want it . . . kitchen . . . laundry . . . utility room closet . . . bathroom for convenience and economy.

And . . . only about 7¢ a load is all you pay to wash and dry clothes the electric way. This is the average cost with our low electric rates.
