Nicholas County memories

by Lewis P. Scott

Events of the past are not entirely divorced from events of the present. So, under the caption of this contribution to the Mercury which I hope generations has faithfully, but not always correctly recorded the current events of interest in Nicholas County we are going to let the liberty to acquaint relatives and friends of an event which occured Sunday July 12, 1959 in Rochester, N. Y. when a daughter, Leslie Patricia was born to Mr. and Mrs. Robert Thompson Scott.

This event is directly related to the erroneous notice in the Mercury away back in the days of "Nicholas County Memories" that on September 4, 1885 was born to Rev. Joseph M. Scott and Nancy Pickett Scott, a daughter. Well, it wasn't a daughter but I confess to be author of this contribution

This is mentioned to insure that altho the newest addition to the Scott family is named Leslie don't let the name fool you it's a girl. Pat as grandpa Lewis will surely call her is the first grandchild in the Scott family and will undoubtedly be spoiled by all the old Scotts when they get a chance.

Readers of this will have to excuse us if we seem to be a little excited and proud over this blessed event.

Former coach, principal named UC professor

Capt. James S. Wall, University of Cincinnati graduate, has been appointed an assistant professor of air science at UC.

Capt. Wall has just completed an assignment in Japan at Yokota Air Base, where he was navigation tactical evaluator for RB-66 aircrews of the 67th tactical reconnaissance wing.

Before his recall to active duty in 1956 Captain Wall was in principal and athletic coach in the Nicholas County school system.

'59 Wheat support remains at $1.94

The price of 1959-crop wheat in Nicholas County will be supported at a basic rate of $1.94 a bushel, Chairman H. S. Vice of the Agricultural Stabilization and Conservation County Committee announced today.

The advance price support rate is unchanged from the advance minimum rate announced several months ago.

The national average support price for 1960-crop wheat will be a minimum of $1.77 if wheat marketing quotas are approved in the referendum July 23 Chairman William O. Gilreath of the Kentucky Agricultural Stabilization and Conservation Committee announced today.

The advance price support rate Mr. Vice explained, was based on a national minimum of $1.81 per bushel announced about a year ago before the 1959 crop of winter wheat was planted. The parity price of wheat has dropped since but the final support rate cannot be dropped below the previously announced minimum.

The base county rate is for No. 1 wheat. It is further adjusted up or down for grade and quality to determine the support for the individual farmer. Most premiums and discounts for 1959 wheat are the same as last year.

As in the past, the farmer can get price support through a loan on farm—or warehouse—stored wheat or through a purchase agreement. Loans are available from harvest time through next Jan. 31. A farmer who wishes to store his loan wheat in a terminal can get information on terminal rates at the county office.

To get wheat price support in 1960 a farmer must be in compliance with his 1959 wheat acreage allotment and be eligible to receive a wheat marketing certificate on any other farms in the county in which he has an interest.

ROTARY MEETING

Woody Fryman prospect for Red scouts

Woody Fryman, 19, of Fleming county, ace burler, who pitches for the Pleasant Springs baseball team, will be scouted by the Cincinnati Reds, Sunday, July 26.

The Pleasant Springs team will meet Sharpsburg Sunday at the ball field located three miles from Carlisle on the Pleasant Springs pike, the Hallie Gillispie Farm.

Fryman has pitched 86 scoreless innings out of 11 games with seven shutouts.

Mr. Fryman was contacted by Angus King of the Cincinnati Reds through The Carlisle Mercury

Duncan announces coon dog training season

The training season for raccoon and opossum dogs this year will remain the same as for last, July 1 through October 18, Harry Duncan local conservation officer, said today.

Duncan said that coon dog field trials may be held after July 1, but no live coon hunts may be staged. Non-residents who wish to take part in the field trials may do so with-at the purchase of a hunting license, he declared, but if they run their dogs in the fields in unsanctioned trials, a hunting license must be held.

During the training period neither raccoons or opossums may be taken in any way or by any method, and during this period the hunter or hunters

Request for cost-share must be filed before the practice is started.

PROUD AS PUNCH—Jay Morford, son of Dr. and Mrs. Jack Morford, poses in his soap box racer which was fourth fastest in the Class B group boys 11-12 years of age) Sunday at the Bowling Green Soap Box Derby. Young Morford traveled some 200 miles to participate in the annual event sponsored by the Bowling Green Jaycees. Inspiration for the racer came from an article in Boy's Life magazine. Jay was some three months in the designing and building of the vehicle which had to pass strict rules governing its construction and cost. $30 was the maximum anyone could spend on their racer. Of the 39 entries up for safety inspection prior to the race, Morford's racer passed with flying colors. Jay's time for the 800 foot course was 29.5 seconds. His trip which began last Thursday was sponsored by the Carlisle-Nicholas County Chamber of Commerce. Planned activities before the race consisted of a talent show, picnic and swimming party. Dr. and Mrs. Morford left Saturday evening, so as to be on hand for the racing event Sunday.—Mercury photo

Council votes to annex Giffin plant property

WANTED—Funds to finish laying of pipe line to new Giffin plant. Members of Chamber of Commerce, merchants and anyone interested are hereby notified to meet with city council Monday night, July 27, little court room.

At a call meeting of the city council Tuesday night, July 21, on the motion of Councilman Robert Coatney, seconded by Rector Smoot, council voted unanimously to annex the Giffin plant property on the right-hand side of Ky. highway 36. The annexation is contiguous from the present western city limits along the right side of the concrete highway to the property. For a detailed explanation, see ordinance on page eight.

Council members present for Tuesday's call meeting were William Harper, Robert Coatney, Dexter Smoot, and Teddy Poe; Mayor Bill Power, City Attorney Roger Womack, and City Clerk W. J. Greene.

Funds Exhausted

Councilman Teddy Poe, who was named at a previous meeting to superintend the laying of the pipe line was instructed to continue work on the line from the water works plant to the L & N railroad bridge, when it is thought present funds will be exhausted.

Council also passed a resolution enabling Mayor Power to sign a contract with the L & N Railroad Company to obtain a permit to run the water and gas lines under the railroad bridge.

Other Business

Council authorized Oliver Vice to tap river pipe line on the property of Glenn Booth; Brooks Henson power to act in rectifying damage to Lowell Hollar barn caused by dynamiting rocks in pipe ditch; Okayed procurement of easement from Mrs. Robbie Harney; Voted to accept easement from M. T. Mathers to cross Mather's property; Accepted resignation of H. C. Galbraith; Voted to lay gas line in open ditch to water works plant (plant presently used 17 tons of coal a year); voted to pay outstanding bills on sewer line; Tabled selection of councilman to fill unexpired term of Mr. Galbraith and named Carroll Hall as an applicant for the term.

Milam awarded fellowship for study at UK

Bernie Milam, former Nicholas County assistant county agent and now the assistant Bourbon County agent, is one of five members of the state's of the Extension Service county-agent staff to have been awarded a fellowship for advanced study at the University of Kentucky College of Agriculture.

Each will work toward a master-of-science degree, majoring in extension education.

Milam will be granted a leave of absence from his duties and will begin his academic work this September. He has been taking graduate courses at the University on a part time basis this summer.

Bond sales total $8,362

During June the sale of Series E and H Savings Bonds in Nicholas county amounted to $8,362. This raised the cumulative figure for the first six months to $66,906. The County's goal is $167,700.

ON FISHING TRIP

Bill Small, Walter Miller, Vimont Jr. Mathers, W. Berry Wilson, Angus Jacobs and James R. Campbell left Saturday for a two weeks fishing trip in Minnesota and Canada.

Five students are attending Morehead

Five students from Nicholas County are enrolled at Morehead State College for the summer term, President Adron Doran announced today.

The Nicholas County residents are among over 1,400 students enrolled from 59 Kentucky Counties, 16 States and one foreign country.

Students from Nicholas County are: Larry Cameron, Betty Jacobs, John Jacobs, Anne Genevieve White and Minton Whitt all of Carlisle.

Farm gas tax refund

Farmers now should enter claims with the federal government for a refund of the federal gasoline tax, the UK Cooperative Extension Service notes.

A refund of 3 cents per gallon may be claimed on all gasoline purchased for on-farm use (tractors, etc) between July 1, 1958 and June 30, 1959.

Claimants must use U. S. Form 2240, available at various offices of the U. S. Internal Revenue Service. Persons who claimed a refund in 1958 will receive the form through the mail; new claimants must ask the IRS for one.
