Softball league is reorganized; draft board files sent to Washington

Thursday, March 23, 1939

Last Thursday morning the Carlisle high school band gave a concert at Cynthiana which was received with much enthusiasm.

Receipts were normal and the market strong at the weekly sales held here Tuesday.

Plans are being formulated by M. C. Shearer, president of the softball league, for the organization of the league. The summer schedule will start about the middle of May.

Betty Joe Scott, 4, daughter of Mr. and Mrs. City Scott, was burned about the face and several other children narrowly escaped injury at the home of Mr. and Mrs. Avery Street on the Moorefield road Friday night. The children were playing corn on a cooking stove and fire had died out. One of the children threw some kerosene on the embers and it exploded, throwing the caps from the stove and burning the little girl about the face.

Inside the walls of C.H.S.
by Harriett Clark

It is vacation time this week. School was dismissed in order to allow students to attend the state tournament.

Some of you may know this and some may not. The P.H.A. is having a ham raffle. If you bought a school paper, you probably know all the details, but if you didn't... the ham weighs 25 1/2 pounds. That's a real bargain for only 25¢, don't you think? If you buy 2 tickets for \$1.00, you get one free. It's very rare that you are able to get anything free in these modern times. Be sure and buy at least one ticket, and more if possible.

The Jrs. and Srs. held a chili supper Monday night. Class tournaments are over. After each class played, the Sophomores played the game. The Sophomores won the tournament between the classes. The faculty had a handicap as there were only two teachers playing and when the teams all paired, five to two, it's only natural for the five to win. Mr. Leedy and Mr. Bowen did their best until Mr. Bowen turned his ankle. He had to leave the game. Oliver Smart both his place until he was able to return to the game. Individual fans were Mr. Leedy and Benny Hodson. So ends the day's tournament.

School papers came out Monday. For a more detailed report of C.H.S. activities, you should buy a Mankiewicz Review.

The date of the Variety Show has been changed to March 31. We've all kinds of entertainment for you: skits, pantomimes, monologues, music, brass ensembles, balloon twirling and acts from the 2nd and 6th grades. So don't forget March 31 - March 31 - March 31. That's all, so long, good bye.

About 16 percent of Kentuckians of working age were employed in the mining industry in 1938.
