Health Dept. issues warning

The Division of Foods and Drugs of the Kentucky State Department of Health issued a warning today against the use of wetting solution and cleaners for contact lenses sold by BARNES-HIND, a manufacturer of SUNNYDALE, CALIFORNIA. The solutions may be dangerous because of presence of live bacteria. The use of such unsterile cleaners and wetting solutions could, under certain conditions, cause blindness for the contact lens user.

All contact lens solutions bearing the BARNES-HIND label are being recalled. Individuals, distributors or retailers who have the solutions should return them at once to the manufacturer.

A warning issued by the Federal Food and Drug Administration on April 28 cautioned against the use of BARNES-HIND solutions with a certain code number. Now the warning has been extended to include all BARNES-HIND contact lens solution.

The secret in boiling cabbage to hold its vitamin C and its sweet fresh flavor is to cook it quickly in only enough water to cover—five to 10 minutes for shredded cabbage, and 10 to 15 minutes if it is quartered, say home economists at the University of Kentucky. Over-cooking, and in two much water rob cabbage of three-fourths of its vitamin C.

J. B. Wells Appeals

J. B. Wells, Candidate for Lieutenant Governor, appeals to the voters of Nicholas County, for their support on May 26.

Mr. Wells is good for Nicholas County. He was the former Rural Highway Commissioner of Kentucky during the past three and a half years. The rural highways in Nicholas County are in the best shape ever, due to his efforts. The Hardy Pike, the Saltwell, Johnson, Rose Hill, Panther Creek, Cassidy Creek, Cane Run, Locust Grove, Pleasant Springs, Somerset, Licking, Suggs and Walnut Grove Roads, have been or are being black topped. Contracts have been let for the black topping of the Upper Jacktown and Stoney Creek Roads, which will be completed this summer. A bridge has been built on the Lower East Union-Sharpsburg Road, and the specifications for a bridge over "L" Creek on the Licking Road have been made. The Upper East Union-Sharpsburg Road, the Dog Walk-Morning Glory, Dorseyville-Concord, Bald Hill, Sugar Creek, Dixie Highway, Sprout-Bethel and Crooked Creek Roads have been inspected and are ready for black topping. The Mt. Morish, East Union-Moorefield and Ishmael Roads have been relocated, built and made into modern traffic bound roads. The Hickory Ridge Road has been surveyed and the right-of-way deeds are now ready for signatures and the prospect for a modern road through that community is assured. The other rural roads in the county have been put in excellent condition.

Nicholas County could only dreamed of such a road building program as has been developed and put into action by J. B. Wells. It is now a reality and we feel that Mr. Wells should be shown our appreciation by electing him to the office he seeks so that we may continue to have a friend in Frankfort who will see that we continue to get the benefits that will make a better Nicholas County.

It is urged that each voter who lives in the communities where so much has been done, act as a committee of one to get all the votes possible for Mr. Wells and to further show his or her appreciation by asking voters in other communities to vote for and elect him so that they too may have the good roads they deserve. The road program for Nicholas County is not a promise. It is something real and certain. Should we cast away a plan of road building that is going forward every day for something uncertain, the results of which may never or at least be long in coming? We think Mr. Wells is good for Nicholas County and that he deserves your vote.

Mr. Wells is a veteran of World War II. He certainly deserves support of all veterans. He, as Lieutenant Governor will be the presiding officer of the Senate in the Kentucky General Assembly and will be in a position to help all veterans when legislation for the benefit of the veterans is introduced.

Voters, give this coming election your sincere thoughts. Do not let trivial or little personal matters enter into your thinking. Vote to elect a man who will do the most good for the most people.

Poppy Day May 23

Memorial poppies which will be worn here on Poppy Day, May 23, have been received here from the Veterans hospital, Lexington, where they were made by disabled veterans. The little red flowers will be distributed on the streets by volunteers from the American Legion Auxiliary to be worn as a personal tribute to America's war dead.

Making the poppies has given employment to thousands of war veterans in hospitals and workrooms throughout the country," said Mrs. John D. Power, the auxiliary's Poppy Day chairman.

TEACHER SELLS NOVEL RIGHTS

Walter Tevis, a member of the staff of the Northern Center of the University of Kentucky in Covington, has signed a contract for $25,000 for the movie rights to his first novel, he disclosed.

The author failed to disclose the name of the producer.

Mr. Tevis teaches English and creative writing at the Northern Center. His book on "The Hustlers" was published earlier in the year by Harper's.

The book is about pool players and the material for it was gathered when Mr Tevis was a student at the University in Lexington.

The English instructor also has written short stories for The Saturday Evening Post Esquire, Redbook, Playboy and other periodicals.

Mr. Tevis went to the Northern Center in 1958. He formerly taught at Carlisle high school and later employed by the Kentucky State Highway Department.

He and his wife have many friends here who rejoice in his wonderful success.

N.C.H.S. Alumni banquet June 5

We wish to urge everyone who graduated from any four year high school under the Nicholas County Board of Education to attend the Annual Alumni Banquet of the Nicholas County high school. This includes all high schools that are now discontinued.

Some cards have been sent, but due to the fact that we did not know where to get in contact with some graduates, they didn't receive cards. If you did not receive a card and would like to attend the banquet, please send a card to Janice Morris Barterville, Kentucky, on or before June 1, 1959 to reserve your plate. If you received a card and wish to attend, please mark it to specify how many plates are to be reserved, and return it to Mrs. Dorsey Watkins, 551 Judy Lane Lexington, Kentucky.

Any graduate who is married may bring their husband or wife. Those not married are asked not to bring guests.

The program for the night will include the election of new officers and the presentation of the constitution for adoption, as well as the banquet meal and the get-together of old school friends afterward.

Soil District to furnish awards

The Nicholas County Soil Conservation District will furnish awards to 4-H ans, F.F.A. Teams, according to Lovell Hollar, Chairman of the Board of Supervisors.

Beautiful home plaques will be awarded to the best soil judges in each of the organizations. Ribbons will be awarded, too.

F.F.A. members should see their Vocational Agriculture Teacher and 4-H members should see the County Agent for details.

William F. Threlkeld, USDA Soil Conservation Service, will arrange for technical assistance in judging.

Mr. and Mrs. J. C. Frey have been confined to their rooms for the past ten days.

Mail box week to be observed

Mail Box Improvement Week will be observed next week. This is part of a national campaign to enable carriers to perform better and quicker service to their patrons.

Patrons whose boxes are maintained in good shape will receive a letter of commendation and appreciation from the Postmaster. Those whose boxes do not meet specifications will be notified what should be done to correct the situation. All rural boxes will be inspected, and if necessary, service may be discontinued to any irregular box.

The most common deficiencies include boxes not at the proper height, 3½ to 4 feet from the ground; approaches obstructed or not properly filled and graded; boxes not leveled and posts not firmly planted; signal flags and doors absent or not working properly; boxes not firmly secured to the supports and failure to have the name printed in about one inch letters visable to the carrier.

53 Minute March here May 28 for Cerebral Palsy

Announcement of a "53 Minute March on Cerebral Palsy" to be conducted in Carlisle by United Cerebral Palsy of Kentucky has been made by John B. Breckinridge, president. Mrs. Charles M. Cox has been named local chairman and has selected May 28 as the date March on Cerebral Palsy" points up the tragic fact that cerebral palsy strikes some where inthis country every 53 minutes.

There will be a house to house canvass of Carlisle to appeal for funds and also to distribute educational material to every home to acquaint every one of the fact that cerebral palsy is the cruelest multiple crippler known and what can and must be done to help those afflicted. Noted scientists are combining their talents to find all of the causes and to seek preventitives against cerebral palsy.

Of all funds raised, 75 per cent will remain in Kentucky to support a program of treatment and rehabilitation, while the remainder is used for research and to train personnel who work with the cerebral palsied.
