Lerman's celebrate

(Continued from page 1)

agree that this Event is really different than any Sale we have had . . . Taking into consideration that Lerman Bros.' values are always honest values, plus these real reductions at the very heart of the season, our customers will truly benefit from this Sale.

Now, I would like to talk to you about another matter that is extremely important in the everyday conduct of our business, and that is the relationship with our customers. I suppose you all noticed the slogan that we have been using on our letters to the stores "A SATISFIED CUSTOMER IS YOUR GREATEST ASSET." We believe that we cannot repeat this slogan too often as this is the key to any successful business operation. While the primary goal of most retail merchandising is to produce immediate sales, it is also true that the way a customer feels about a store is of equal importance. We want your store to have the proper appeal to the customers you serve, and to be the friendliest, most comfortable store in your town. The typical Lerman customer is hard working, thrifty, practical and home-minded. Your store should continue to retain a public image of itself as a family store, both in the type of merchandise it carries and in such intangibles as warmth, comfort, friendliness, honesty, dependability and even unselfishness. In conclusion, I say again "A SATISFIED CUSTOMER IS YOUR GREATEST ASSET."

The 40th Anniversary Sale Event began in all Lerman Bros. Dept. Stores Wednesday morning, October 7. Mr. Inskeep extends to everyone a sincere invitation to visit the Lerman Bros. Dept. Stores During this 40th Anniversary Sale, you have an opportunity to shop the largest and most complete selection of fall and winter merchandise ever available in Lerman Bros. Carlisle Store
