CIRCUIT COURT
(Continued from page 1)

fined $200 and sentenced to 60 days in the County jail, this case involving a second offense against Mrs. Kelley. At the conclusion of the case, the Circuit Judge allowed Mrs. Kelley 30 days to make arrangements for the care of her five children, before she is to serve her sentence of 60 days.

Prior to adjourning Court, the Commonwealth and County Attorney requested the Court to set a definite trial date for the case of the Commonwealth of Kentucky vs. Emma Lee Bussell who is before the Court on a charge of illegal possession of alcoholic beverages in Nicholas County, a second offense, and because her attorney from Cynthiana could not be present at this time, the date of February 4, 1960, was set as the definite date for the trial of her case.

With the exception of the trial of a couple of civil cases, the pending docket in Nicholas circuit court has now been fairly well cleaned up.

N.C.S. reports card system

In the Nicholas County schools, the first six weeks period has ended. Students have had six weeks tests and now report cards are due.

Let's consider what a "report card" really reveals. It is a teacher's report to parents headed by this quotation. Write it on your heart that every day is the best day in the year." Emerson

The report card is identified by the pupil's name, school, grade and year. The following message is given to the pupil by Raymond J. Wesley County Superintendent Be clean in person dress habits, thought and speech. Be dutiful polite and respectful to parents, teachers and all whom you may meet. Be earnest in play in the time for play and equal earnest in work in the time for work. Cultivate promptness, energy and patient industry. They are worth more to you than money or influence in securing success in life. Please keep this. Report neat and clean. When you enter school next year please present it to the teacher for inspection.

Inside the card is a list of subjects and the teacher fills out the grades received each. Excellent 90 to 100 B—Good 80 to 94 C—Average 71-87. D—Poor 75 to 80 F—Failure Below 75.

A place is provided to check work habits, health and citizenship of the student.

On the back Parents or Guardians Please Read — At the close of each school period, this report will be sent to you for inspection It is hoped you will give it your most careful attention and if anything is unsatisfactory, your encouragement of the child for better work will greatly increase his interest. It is well to consult with the teacher on the marks that are unsatisfactory. The influence of the home and school must work toward the same end, that of doing the greatest good for each child You are asked to visit the school frequently, for your presence would be an inspiration and help to both pupils and teacher. The name of the teacher is given. Space is provided for the Signature of Parent or Guardian for each six periods of school.

Muskies tie Bulldogs 13-13

by Judy Hopkins

Hollar received the kick off and ran it to the 35 yard line. Clark made a run of 15 yards which put the ball on the 5 yard line. Hollar got to the 2 yard line but couldn't make the final yards. After several attempts Kelley ran it over for the Muskies' first touchdown. The extra point was no good. The score at the end of the first quarter was 6-0.

Early in the second half Stanley Wilson went across from the one yard line. The extra point was run by Floyd Hamilton.

The Bulldogs' first TD was made by fullback, Jimmy Williams from a yard out. A good Hollar received the kick off and set it on the 40 yard line. The score was 13-6 at the end of the third quarter.

In the fourth quarter Williams makes Cynthiana's second TD to tie with the Muskies Bussell completed a pass to gain 9 yards Carlisle fumbled but was recovered by Johnson. The Muskies again fumbled but this time was recovered by the Bulldogs Ratliff intercepted a pass of 29 yards Cynthiana recovered the ball after the Muskies fumbled.

Combs asks foe to take stand on tobacco research

Bert Combs, Democratic gubernatorial nominee for governor, has again challenged his GOP opponent to tell the Sixth District tobacco planters his plan for a tobacco research program.

Noting that the Republican candidate has adopted the Democratic platform, Combs also pointed out that John M. Robsion, Jr., has declared some parts "more essential" than others.

"My Republican opponent," Combs declared, "should tell the tobacco farmer if he considers a tobacco research program essential to Kentucky's economy."

Combs, nearing the close of the gubernatorial campaign repeated his pledge for an adequate research into new uses for tobacco research into other tobacco problems.
