Carlisle Co-op is "wool pool" collection point

Southern States Cooperative and 40 of its Cooperative Service Agencies and some others in Kentucky will supervise and manage the operation of the 1960 "wool pool" for the Kentucky Wool Growers Cooperative Association.

B. A. Thomas, president of the association, in making the announcement, pointed out that "Southern States Cooperative, with its wide-spread distribution system will be able to step-up efficiency and render better service to a large number of wool growers in the state."

Southern States Carlisle Cooperative in Carlisle, will be the local collection point. This Agency will distribute bags, bags and twine to growers, as well as receive wool when it is ready for shipment.

Ronald Botkin, an employee of Southern States Lexington Cooperative, has been assigned to manage the "pool". Kenneth Burgess, a Southern States District Manager, will supervise the project.

Advances to growers will be made again this year when the wool arrives at the Central District Warehouse at Lexington. When this advance is sent the grower he will also receive the proper ASC form to be may file for a further advance, if necessary.

After the wool is graded and sold, the association will deduct only the actual operating expenses and return all remaining monies to its growers.

Because the buying and selling is done cooperatively it will mean greater net savings for growers.

After your flowers are arranged indoors, snip off the lower tips of the stems daily with sharp shears. Change the water daily.

Nicholas Friendship to Korea quota set Tuesday night at $500 cash

by Jimmy Carter

The Future Farmers of America and Future Homemakers of America are the sponsoring organizations for the Kentucky Friend-Ship to Korea for Nicholas County.

Jimmy Carter, Nicholas County chairman, called a meeting of representatives of county and city organizations, Tuesday night at Nicholas County high school, to set up goals. Many clubs representing the city and county had representatives present.

Nicholas County, along with other counties in the state, has been given a $500 cash quota, plus farm and household equipment. The money is to be spent to equip two hospitals. The equipment and farm animals is to be donated by the people of Korea to help them to earn a living. Many items will be designated for orphanages and institutions. Any item may be earmarked for a specific institution. For example, some churches send items to their individual missions.

The FHA and FFA need the help of all organizations of Kentucky to back them in filling the ship to Korea. They want to help build peace through friendship. This is an opportunity for church, farm and civic groups to join hands with these young people. All who believe in our Christian Democracy can demonstrate it in working for peace and good will. Just as we united to win the war, we must unite in winning the peace.

Many of us may never see the land of the free American, but when we share our Christian love and faith through giving, the light of hope is brought forth and we see Christ translated into action.

Other states have sent a Friendship loaded with livestock, and the seven cargo, Kentucky can do as well or better.

Dedication and loading of the Kentucky Friendship will be held at the ship-side at a Florida port in June. All gifts must be reported in the Friendship Drive.

A delegation of FFA boys will go on the ship to Korea to help care for livestock and others. A total of thirty people from Kentucky will help distribute the articles. Dr. Walton O. Farr, a Presbyterian minister from Morgantown, and founder of Friendship to Korea, will accompany the group.

The collection center will be Nicholas County high school. Farm machinery and clothing can be brought to the school at any time. Farm equipment that needs minor repair can be repaired by the FFA boys at the high school if it is brought in early. Any person who has farm tools but no means of transporting it may call the high school so that arrangements may be made to pick it up.

Checks should be made payable to the Kentucky Friendship to Korea. A listing of donors will be compiled by the county treasurer, Mr. Johnnie Fryman. A person wanting to give a cash donation or other donation may call the city FHA chapter or the county high school. Organized groups will
