BIRD, 99. FISH, 100. BIRD.

Tax time take still climbing

On the average, each of us will have two hours, and no more, of the tax collector's attention in 1940. This is a decrease from the 1939 figure of 2 1/2 hours. The Government's estimate is based on the fact that the Department of Finance and Statistics has estimated that the average taxpayer will have to pay 10 percent more in taxes than in 1939. This is due to the fact that the average taxpayer will have to pay 10 percent more in taxes than in 1939. This is due to the fact that the average taxpayer will have to pay 10 percent more in taxes than in 1939.

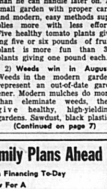

Frog hunting is popular in Kentucky

Freshford—More Kentuckians are hunting frogs than ever before and the supply is being worked up. The Department of Fish and Wildlife Resources has estimated that the average taxpayer will have to pay 10 percent more in taxes than in 1939. This is due to the fact that the average taxpayer will have to pay 10 percent more in taxes than in 1939.

The home garden

By George A. Marlow, Jr., Ky. Agric. Ext. Service. LEXINGTON, Ky. — If the home garden isn't fun, something's wrong. Growing vegetables at home has many advantages that go beyond the pleasure of growing them. It is a good way to save money and to get fresh vegetables. It is also a good way to get exercise and to enjoy the outdoors.
