**Key Marketing Law**  
 A needed, improved farm and home market for the farmer and consumer. The change in law, which is being made effective on July 1, will be a most important one for the farmer. It will give the farmer the right to sell his produce directly to the consumer, without the intervention of a middleman. This will mean a saving of money for the farmer and a saving of money for the consumer. The law will also give the farmer the right to sell his produce in bulk, without the intervention of a middleman. This will mean a saving of money for the farmer and a saving of money for the consumer.
