

A multicolored sweet potato will give you more than all the vitamins A you need for the day and about one-third of the vitamin C. This potato also gives you some iron and seven-tenths of the best, on the average, ever half of the potassium your diet needs. On the other hand, it contains only 45 to 50 percent of the potassium, most and apricots.

Did you ever stop to think? Patrons Mercury Advertisers.

CHS approved by Ky. Committee

Miss Henry Foster, principal of the Carlin high school, received the following letter from Morris Cleffer, chairman of the Kentucky Commission on Secondary Schools, Louisville.

The Commission on Secondary Schools of the Southern Association has approved the recommendation of the Kentucky Committee that your school be continued in membership for the ensuing year.

It is a pleasure to be able to report that your school satisfactorily meets all standards of this accrediting association. You and your faculty are to be commended upon the good educational positions reflected in that report of the school.

We know that you appreciate as much as anyone else the necessity for continued school improvement. Therefore, we are sure that the knowledge that you are now meeting all the standards will not keep you and your staff from advancing far beyond the requirements of the Association.

The Association will meet next year in Miami Beach, Florida, December 4-7.

Best wishes for a happy holiday season.

Attends meeting in Louisville
Miss Hazel Lewata represented the Nicholas County faculty at the K.E.A. Delegate Assembly.

Fines, jail terms meted

Three men were meted three men Dec. 13th Police Court, Lexington, in connection with reckless driving in the Hendersonville Subdivision Saturday afternoon.

J. C. Cooper, 30, of Carlin, was fined \$200 and costs for drunk driving, and \$100 and costs for reckless driving, and two companions, Robert Parkard, 22, of Perry street, and the Wilburn, 20, of 208 Thompson Road, Lexington, were given 10 days each on probation in connection with the same case.

City Detective Jack Hillard and Noker Freeman said they were sent to Jerry Moore's Poultry, South Broadway, about 3 p.m. Saturday afternoon to investigate three men who had tried to sell stolen hams.

The officers said a description of the car was broadcast and that the car driven by Cooper sped down Pine Street to Manchester street, where they arrested it.

Freeman reported that he placed the men under arrest on Manchester street, but before he could clear the auto, the car driven by Cooper pulled away and sped down Pine Street to Lake Road.

Cooper then drove to the Leavenworth Road and eventually turned into the Manchester Subdivision, Freeman said. He

Captured when their car bogged

they found eight country hams down to mud just off the Lane Road that the men identified town Road.

Freeman, who officers said was in the town, said the men were taken to the police station and taken to the police station.

The group discussed: Faculty Aid to students, trip transportation, current classroom expenses, teacher retirement and quality teaching. The main emphasis in the general sessions were Superintendent Wendell P. Butler, who had just about "Education in the 60's" and J. M. Deaton, Executive Secretary of K.E.A. James L. Sublett outlined the Teacher Retirement System.

The delegates went on to report that your school satisfactorily meets all standards of this accrediting association. You and your faculty are to be commended upon the good educational positions reflected in that report of the school.

We know that you appreciate as much as anyone else the necessity for continued school improvement. Therefore, we are sure that the knowledge that you are now meeting all the standards will not keep you and your staff from advancing far beyond the requirements of the Association.

Merry CHRISTMAS

MAY this be the most joyous of Yule seasons for you all.

GOOD cheer to all of our friends.

CATTIE LOU MILLER, new Commissioner of Public Information, receives her oath of office from Governor Bert Combs. Miss Miller, former Executive Assistant to the Governor, replaced Paul Branson, who was Commissioner of Public Information. The name of the department was changed when she took office.

Officers said Cooper ran three complete trips through the area at high speeds and that he was pulled up into front yards in Leavenworth Road against a traffic light at a very high speed. Freeman said the men were
