Go forth, young man... we can't use you here
Is this the word to our young people - able and beloved - when they've finished school and ready to start making their own lives?

To often it is, in the smaller communities like ours.
Why don't we have more job opportunities and more business opportunities right here...

It Pays to Buy where you Live
These twelve Business Establishments Are Genuinely Interested in the Future of This Community and your Welfare...

But it's also partly because many of us have let ourselves get into the habit of spending too much of our money somewhere else.

Every dollar that we spend every year in home is a dollar less to circulate among us...

Keeping more of this costly available trade volume of home is one way by which we could create and sustain more local opportunities for our young people.
