CHRISTIAN SCIENCE

God's boundless love for man will be emphasized at Christian Science churches on Sunday.

Keynoting the Lesson-Sermon on the subject of "Doctrine of Atonement" will be the Golden Text from I John 4: 10: "Herein is love, not that we loved God, but that he loved us, and sent his Son to be the propitiation for our sins."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this will be read (19: 6): "Jesus aided in reconciling man to God by giving man a truer sense of Love, the divine Principle of Jesus' teachings, and this truer sense of Love redeems man from the law of matter, sin, and death by the law of Spirit,—the law of divine Love."

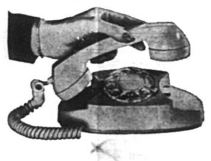
LOOK WHAT'S NEW in extension phones! It's our smartly modern Princess model. I'm happy to announce the Princess is here—available to all. Just read on, and you'll see why we're so excited about it.



DIAL LIGHTS UP! At night the dial of your Princess glows softly to let you know exactly where the phone is. Then when you lift the receiver, a bright dialing light comes on so you can dial without having to turn on lamps or overhead lights.

The Princess is so compact, too, it takes up practically no room at all on your bedside table, desk, or kitchen counter. And that's not all.

The Princess is available in your choice of designer pastels: pink, blue, beige, or turquoise—or if you like, in pure white.

The Princess is on display now in our business office. Come by soon for a look, and I think you'll agree this charming little phone is really something special—convenience plus beauty all wrapped up in one package!

"I care for your car like it was my own."

And service is my business!"

Getting the best performance from your car depends on its condition. That's why you're wise to visit my station for service. When we service your car, the job's always done the right way—the expert way. Because the only people allowed to work on your car are fully trained. That way, whether you get our Engine Tune-up, Brake Service, Shellubrication or any other service, the quality of the work shows in the finished job.
