Comforting assurance of the final destruction of all sin will be given in the Lesson-Sermon entitled "Everlasting Punishment" to be presented Sunday in Christian Science churches.

The game was started with Edwards making the kick off to the Bulldogs 30 yd. line. The Bulldogs failed to gain a 1st down so punted and Carlisle took possession on their own 37 yd. line. The P.A.T. was made by Dennie Williams. Cynthiana kicked off and Carlisle received on the 30 yd. line. The Muskies were penalized 10 yds. and then Straw attempted a pass which was intercepted by the Bulldogs and the qt. ended.

The second qt. was one exciting. At the begning of the qt. Richie again crossed the line but the point was no good. Each team had possession of the ball several times and the ball was fumbled twice, once by each team.

Burley Co-op spends huge sum

A total of $403,087.03 has been spent by the Burley Tobacco Growers Cooperative Association on research and export promotion projects since 1947.

W. L. Staton, executive secretary of the Association, said in a report in Lexington, headquarters of the co-op, that the largest item in the list of expenditures for research and export promotion was $180,000 allotted for providing technical advice and good will promotion overseas.

The $180,000 was spent in the period of 1950 until two years ago in providing a program of assistance to foreign manufacturers in developing cigarette blends using increased amounts of burley tobacco.

The program was suspended when the Association's receipts declined, but directors voted recently to re-establish it.

The co-op had planned to ask growers to contribute funds for the export program, but found this was no longer necessary.

Other expenditures for research and export promotion to encourage wider use of burley in cigarette manufacture in the 13 year period from 1947 to 1960 included:

Done in Burley and Dark Leaf Tobacco Export Association, $161,256.94; University of Kentucky for various research projects, $40,412.90; Blended tobacco samples to foreign manufacturers, $16,940.54;
