The oneness and supremacy of God will be emphasized at Christian Science services this Sunday.

The opening selection to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "Jesus taught but one God, one Spirit, who makes man in the image and likeness of Himself,—of Spirit, not of matter" (p.94).

What should the traveler see in Nicholas County

Practically every county in the state has been in touch this past week with tourist and travel officials in Frankfort to tell them of local attractions.

That's the word received by the Mercury from the Division of Tourist and Travel Promotion which last week asked citizens of this county to tell it about the things a traveler should see here while touring Kentucky.

The Division, in making its appeal, pointed out that many travelers, en route to Kentucky Lake, My Old Kentucky Home or Carter Caves, also like to stop and see other less publicized attractions.

So the appeal went out—tell us what you have so we can inform the Kentucky visitor.

It was suggested that readers of this newspaper list the attractions, an excellent fishing spot, a beautiful bit of scenery from a hilltop, a famous meeting place, future statesmen once gathered, or the home of a former governor or senator.

That list should be sent to the following address:

County Tourist Attractions
Division of Tourist and Travel Promotion
The Capitol Annex
Frankfort, Kentucky

The Division plans to have published all Kentucky attractions in each county so that tourists will want to linger longer in the commonwealth and enjoy the state.

THURSDAY, APRIL 13
Read Acts 1: 1-8

That which we have seen and heard declare we unto you. (1 John 1:3.)

Recently I read the story of Sarkon Masih, a sweeper in one of the hotels of a hill city among the mountains of Kashmir. Every afternoon he gathers around him the servants and school of that hotel and holds a sort of Bible class with them. He tells them about Jesus, the Savior of mankind.

We, too, are called to witness to the love of God, and this is our great commission. When we have the divine light shining in our lives, we radiate it to others. We want to tell the story of what we have seen and known and experienced. We can tell what Christ has done for us. We experience overflowing joy when we think about the redeeming love of the Son of God.

PRAYER: Our heavenly Father, give us strength and insight to use our wisdom and experience not for ourselves, but for others. Help us that they may become stronger through our witness. Use us as witnesses to Thy Holy Word and to the redemptive power of Thy love. May Thy divine light shine on all who are still in darkness, that all men may accept Christ as their Redeemer and pray as He taught us, "Our Father who art in heaven . . . Amen."

THOUGHT FOR THE DAY
When we have the divine light shining in our hearts, our lives radiate it to others.—Wadad Matar (Lebanon)

Mitchell returns from two week training course

Harry M. Mitchell recently returned from Athens, Georgia after a two-week executive development and training conference conducted by the Southern Bell Telephone Company. Mr. Mitchell is District Manager for Southern Bell in the Frankfort District which includes the Nicholas County area).

The conference was held at the Georgia Center for Continuing Education on the University of Georgia campus at Athens. All of Southern Bell's district and division heads attend the training and development session once each year, according to C. A. Harris, local manager for the telephone company.

The purpose of the conference is to broaden the thinking and outlook of higher telephone management, to evaluate broad economic and social trends and how they affect the telephone business, and to increase their present effectiveness and further self-development." Harris said. He added that this year's conference included a special training in advanced financial management and coaching and counseling.

Mr. Mitchell is widely known here and has been active in community and civic leader. He has been with Southern Bell for 30 years. He lives at Frankfort

Nicholas man tries suicide in Bath jail

The life of a Nicholas County man was saved last Wednesday after he tried to hang himself at the Bath County Jail at Owingsville.

Jailer Irvin Shultz said he found that Gayle Wilson, about 30, Carlisle, had hanged himself with two towels tied to a water pipe. The jailer, who found Wilson when he took him his lunch, cut him down and called a doctor. The doctor used artificial respiration to revive Mr. Wilson.

The jailer said Wilson was jailed Tuesday night by Deputy Sheriff Bill Lee Adams, charged of entering a home near Sharpsburg and taking a record player.

Shultz said Wilson left a note addressed to his mother which said in part, "I'm sorry I have caused you so much trouble . . . I know it looks bad for me but rather than go to jail or to the pen again I won't trouble you anymore. I don't want to even live anymore . . ."

Wilson has been held to the Bath county grand jury.

Slip Covers

A new slip cover may give that room just the spring touch you want. A slip cover of the proper color, pattern and fabric can add much to a room.

What color shall I choose—may be your problem. You may choose a color already found in the room. Using a lighter or darker shade. You may pick a color related to those in the room; or you might take a contrasting color. An accent color used in small amounts in the room can be repeated in the slip cover for emphasis. It is always wise to remember that having some colors dark and some light, others light or dull make for a more interesting room.

Should the slip cover be plain or patterned? This depends on other patterns in the room. If very little pattern has been used, perhaps your room needs pattern. Be sure to choose a pattern that fits in with the furnishings—whether they are traditional or contemporary.

Fabrics used for slip covers are bark cloth, sail cloth of cotton and linen, good quality denim and many other textured materials. Look for a closely woven fabric that will not stretch out of shape, will not ravel, will not fade, and will not show stains easily.

Half slips for the arms and protectors for the back of the chair can be made to protect the slip cover from dirty hands and from hair oil. Make these the same material as the drapes, so they will not hurt the appearance of the cover or spoil the unity of the room.

million who were to die in the war.

If there was any doubt of war after the bombardment, it was resolved Monday morning, April 15, when the people read in their newspapers that President Lincoln had called for 75,000 troops to fight the seceded states.

Next week Wild enthusiasm greets the war.
