CHRISTIAN SCIENCE

The spiritual foundation of divine healing will be emphasized at Christian Science services Sunday.

Included in the Lesson-Sermon entitled "Spirit" is the account in Matthew of the healing by Christ Jesus of the man with the withered hand.

One of the citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 31) describes the basis of Jesus' healing mission in these words: "Jesus was unselfish, His spirituality separated him from sensuousness, and it caused the selfish materialist to hate him; but it was this spirituality which enabled Jesus to heal the sick, castout evil, and raise the dead."

The Golden Text is from Zechariah (4): "Not by might, nor by power, but by my spirit, saith the Lord of hosts."
