NEW CHEVY II NOVA
Who but Chevrolet could've done it! Price, style and everything else! A car that's built with room, zoom and rich in convenience and comfort. One that won't let you squander a thing but affection. Look over the beautiful new Chevy II Novas here, and light out in it at your dealer's.

ASIX WITH V8 SCAT
You design a throxy Six (120 hp. strong) with special refinements like seven main bearings. You take your Six and team it with a car that's loaded with dozens of pounds lighter than the big job-and-partner, you've got!

EASIER GOING BIDE
New Mono-Plate rear springs like the place of old-fashioned multibed springs. Tough but never so gentle, they help give you a ride that reminds you of the big Chevrolet—and you know how smooth that is.

EVEN RICHER SEATS
IF YOU LIKE Comfortable, contoured for full support, padded with thick deep-foam cushions, covered in rich leather-grained vinyl. Yours at slight extra cost in the Nova Sport Coupe and Convertible.

Body by Fisher
STRIKING NEW SETTING. Any way you look at it, the Chevy II Nova is a real, ally feeling. The lines are so crisp and clean we've tempted to call them "sleight" (except that sounds downright expensive and, as your dealer will happily show you, Chevy II is anything but).

See the new Chevy II, '68 Chevrolet and '68 Corvair at your local authorized Chevrolet dealer's.
