break the crust is sufficient. Another caution is to hasten maturity and improve yield and quality. They estimate to remove 5 to 11 inches of soil.

Don't allow weeds to get large. Trends in Home Furnishings would you rather be a good buyer or a poor hardware worker? If you're interested in cutting out some of that work and improving the rest of the time, use a multi-blade hand saw.

Any of several materials may be used as a multi-leaves, roll up, draw, sandblast, plating mill shavings, paper, or plastic film. Molding material other than paper or plastic may be applied from 1 1/2 to 4 inches deep. All molding materials make a corner table that's rugged. Apply 1 to 1 1/2 inches of the mixture of the soil between 10 to 15 minutes per 100 ft. row, just before first cultivation, then, apply the mulch.

Cultivating the Vegetables Garden. Any one of those gardeners who likes to know the soil to a depth of 4 to 6 inches around the plants? This is a mighty good way to add horse manure and cut the yield of your crop. Cultivation that is just deep enough to destroy weeds and

There is a rising interest all over the country in Kentucky as a vacation spot according to Carlisle Miller, commissioner of public information. He reported that during the first five months of this year the Division of Travel and Tourism Promotion had answered well over 90,000 requests for information on Kentucky as a vacation spot, a majority of the inquiries resulting from the States National map and magazine advertising program.

Why blanch vegetables before freezing. LEXINGTON—Why should vegetables be blanched before they are frozen? Many home makers ask this question, according to Mrs. Minerva Morrison, UK Extension specialist in foods and nutrition. Blanching vegetables for two to three minutes does not mean that they are frozen. It means that they are blanched.

State Fair Sept. 8-16

LOUISVILLE—The 1961 Kentucky State Fair, September 8-16, reaches the final planning stages this month in the form of a nationwide publicity drive in its sparkling NEW, OLD FASHIONED appearance.

For months, Fair planners have been carefully modeling the basic shape from which it is to take its form—a fair in the old-fashioned style, but with the most modern of settings.

Electric home freezer the reason. Harvest consider the "meat" fresh food at all times. This advantage of pre-packaged, vacuum, meat, poultry sales with an electric freezer.
