### Sponsorship by Taxation

The following editorial is reprinted from the American Press, an independent magazine for home town newspapers: "With the bills having been introduced into Congress to eliminate sponsorship by taxation... the government and with hundreds of newspaper publishers having passed laws to fight such sponsorship, it would appear that something should be accomplished soon."

### Magazine Matters

An article in the current issue of the magazine deals with the schemes that have evolved in recent years to get hold of youngsters' nickels, dimes and dollars through their favorite reading material—comic books and teen-age magazines.
