**CHRISTIAN SCIENCE**

Unchanging beauty is a theme of the Lesson-Sermon "Soul and Body" to be read at all Christian Science churches Sunday.

Included in the Bible selections will be these verses from Psalm 90: "Let thy work appear unto thy servants, and thy glory unto their children. And let the beauty of the Lord our God be upon us: and establish thy the work of our hands upon us; yea, the work of our hands establish thou it."

One of the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (pp. 247, 248): "The recipe for beauty is to have less illusion and more Soul, to retreat from the belief of pain or pleasure in the body into the unchanging calm and glorious freedom of spiritual harmony."

FLEMINGSBURG, KENTUCKY
— U. FLEMING
March 3,1960

Senator S.Stanley Blake -
Carlisle,Kentucky

Dear Senator Blake:

At a regular meeting of the Fleming-Nasco Rural Electric Cooperative Corporation Board of Directors held in the Cooperatives office, Flemingsburg, Kentucky, on March 3rd the undersigned secretary of the board to write you expressing the boards appreciation for your support in the passage of Bill 306.

This is the bill that all rural Electric Cooperatives have been extremely interested in. The bill offers protection to the rural Electric Cooperatives on territories adjacent to cities, providing loans at reasonable interest rates on line of duty annexations.

We appreciate the support and assistance you gave us on this legislation. We feel that without your help the task of securing passage of the legislation would have been difficult. Your knowledge of the problems of rural electrification helped us to see that the wide support we received in the state and Senate on this legislation is the result, in a great measure, of your help.

Your assistance has made a great contribution to the welfare of the people in the area we serve. Sincerely yours, Fleming-Nasco Rural Electric Cooperative in Kentucky and the 255,000 people they serve.
