Have You

an unknown diabetic in Your Family

More than one million diabetics do not know they have this disease. A simple urine test, to find out if sugar is present, can save years of future trouble.

Diabetes is an incurable disease that is easy to live with if the diagnosis is early and medical advice is followed.

ATTENTION CITY VOTERS

These are Basic Issues that we believe are important to every citizen of Carlsruhe!

1. A committee form of Government.
2. A councilman will not do business with the city (KRS. 61.270).
3. Considering the city's bonded indebtedness of more than \$216,000 it is necessary that each employee and official pay his own Water Bill.
4. Land Cooperation to other civic Bodies in the Betterment of our Community.
5. Levy city taxes according to the Tax Commissioner's assessment.
6. Work within a budget with an annual Publication of Audit.
