If you didn't attend the Carlisle Garden Club meeting Saturday at the Nicholas County high school, you certainly missed a most interesting and informative program.

One learned how to make Christmas decorations, with professional help from instructive materials that would save you ten times over the admission price, which was \$1.00.

It was inspiring to say the least, especially for one who spends an entire day making one so called arrangement, only to have it turn out that that made with loving hands look.

This is National Children's Book Week, Nov. 12-18, the week in which children everywhere will be saluting the fun of reading with the slogan "Hurry for Books" . . . Visit your library this week and join in the celebration. The librarian has any number of books you will enjoy.
