

4-The Carlisle (Ky) Mercury, Nicholas Co., W. Va., Nov. 14, 1961

Myers road

By Harrison Hamilton
Richard Johnson, Clatskanie, visited friends and relatives here over the weekend.
James Williams and a friend drove from Indiana, spent the week here with his parents, Mr. and Mrs. James Williams, and Mrs. Amanda Young, Chicago, is visiting here with her daughter and other relatives.

Moore's 'd' h'maker

The November meeting of the Moorefield Homeowner's Club was held at the home of Mrs. Howard Irvin with Mrs. Joe Wilson as co-hostess.
Five members of the Mt. Zion Club, Mrs. Clyde Cavell, Mrs. Charles Watkins, Mrs. McFarland, Miss Lavine McFarland and Mrs. T. Cavell met with us for this lesson.
Roll call was answered by 17 members and Mrs. Irvin presiding over our many blessings. We were glad to have Paul Clark in.

The devotional was given by Mrs. Irvin.
Our club gave a donation toward the purchase of an electric skillie for the Johnson Convalescent Home. Also we gave a dollar toward buying new library books. Each month, Mrs. Wilson brings library books to the meetings as a service to members who have to read.
We made plans to visit the Ambulatory Convalescent Home on Wednesday, Nov. 15 at 4 p.m. We always enjoy going out there and seeing how much those elderly people appreciate being remembered. Each of us should remember them more often.

Cane Run

By Mrs. C. A. Hopkins
Mr. and Mrs. Gilbert Gray, children were recent guests of Paris, assisted by Mrs. Taylor. So many original, interesting decorations shown.
Our next meeting, Dec. 7, will be at the home of Mrs. W. J. Clark with Mrs. Frank Weaver as co-hostess. "Coke and Rella Sisters" will exchange gifts.

Farm and Home

By Wm. T. Strew, County Agent
Waverly, Mo.
Aust County Agent
Margie H. Wilson, Home Agent
Lima, Mo.
Soil tests show that most Kentucky tobacco farmers would make more money by using more lime on their land. Limestone properly used along with other recommended practices will return 3 to 5 dollars for every dollar of cost. If our soils are acid we can't afford not to use limestone. Not next spring but now is the time to take soil tests and apply needed lime on soils that will be in tobacco, corn, pasture or meadow next year.

Plan ahead and WIN 3 WAYS

The successful farmer plans ahead . . . and comes out ahead

Reserve your Southern States Spring Seeds NOW

1. Get some protection from shortage. If a shortage develops next spring, you're guaranteed first call on your share of the Southern States variety you reserve now.
2. Save time. You avoid the rush next spring, the last-minute shopping around. No delays, no waiting around when you reserve your Southern States Spring Seeds now.
3. Ease the pressure. You'll be extra busy next spring at planting time. Get one thing behind you. Reserve your Southern States Spring Seeds now.

No deposit required to reserve your Southern States Spring Seeds now. Phone or visit your Southern States Cooperative Agency without delay.

LOOK! LOOK!
