CHRISTIAN SCIENCE

How to avoid the mistakes of the past will be brought out Sunday in all Christian Science churches.

Highlighting the Lesson-Sermon entitled "Everlasting Punishment" is the Golden Text from the Bible: "Wherefore doth a living man complain, a man for the punishment of his sins? Let us search and try our ways, and turns again to the Lord" (Lam. 3).

One of the citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "Mortals move onward towards good or evil as time glides on. If mortals are not progressive, past failures will be repeated until all wrong work is effaced or rectified . . . The divine method of paying sin's wages involves unwinding one's snarls, and learning from experience how to divide between sense and Soul" (p.240).

RUDDLES MILL METHODIST CHURCH
Bill Youngblood, pastor

Homecoming at the Ruddles Mill Methodist church on Sunday, October 29. There will be morning and afternoon services. Rev. Jesse Florence will speak at the morning service. Rev. Harry Hitch, professor at Asbury Theological Seminary will be the speaker for the afternoon service. There will be special singing at both services.

A basket lunch will be served at noon. The public is cordially invited to attend.

Revival Headquarters Methodist Church

A revival will be held at the Headquarters Methodist church beginning Oct. 29 thru Nov. 12. Woodrow Gaunce will be the speaker at the first meeting.

The Rev. E. Walter Dean will be the evangelist. A native of Nicholas County, graduate of Asbury College and served in the Kentucky Conference until entering the army where he served as Chaplain for 23 years at Camp Pickett, Va. He is married to the former Dorthy Mills and the father of four children, and his home is Buena Vista, Virginia.

Special music each evening under the direction of the Rev. Howard Ritchie. You are urged to attend this revival.

Nicholas Hi news

by Ann Williams and Sheila Carl

Nicholas County High School for the following school weeks will have school news that will be of interest to everyone. Each week there will be two reporters, each from the journalism class to write the news.

Roger Womack spoke to the Advance Civics class on the Soviet Union, September 20. The class, the first six weeks of school, studied Communism and its effects on us.

"WERE OFF" was the cry last Friday as three classes, Physics, Journalism, and Chemistry started for a visit to "Main Street U. S. A." and the Herald-Leader paper office, in Lexington.

For the first time in the history of Nicholas County a debating team has been formed in the school. Ralph Wesley, Eddie Taylor, Jean McClanahan, and Sheila Carl, are the debaters. Ballard Moore is the debate team coach. On Friday, September 27, the team went to the University of Kentucky and sat in on a debate between two high school teams.

"Furniture Gadget" is what every member is saying is the Nicholas County seniors in everyone they see. They have Better Home Living Class were doing last Friday, October 13. for their annual.

They went to Paul Garrett's Furniture Store where he showed them all kinds of furniture — good and bad.

"Do you want to buy an ad in our annual?" This is what

Have You
an unknown diabetic in
Your Family

More than one million diabetics do not know they have this disease. A simple urine test, to find out if sugar is present, can save years of future trouble.

Diabetes is an incurable disease that is easy to live with if the diagnosis is early and medical advice is followed. Proper diet, insulin if needed and certain precautions, enable diabetics to live a normal and happy life.

Middle or old aged people, particularly those over weight, can develope diabetes and not know they have it until it is too late to prevent its serious consequences.

During diabetes week November 12-18, we suggest (if there's any doubt) that you visit your doctor and take a test, it will only take a minute and may help you to be sure.

ATTENTION VOTERS

Last week you read in this newspaper about K.R.S. 61.270. My opponent states that this is an old law and is broken every day. I ask him if two wrongs make a right? Are laws made to be kept or to be broken? We endeavor to teach our children to obey them.

Carlisle is a fourth class City. To be a fourth class city it must have a prescribed population therefore you have enough competing businesses to take care of the everyday needs.

Through the efforts of this candidate the city purchased by competitive bidding a New police cruiser, the first ever owned by the city.

This was bought from a local dealer. Was the now junked dump truck used several years as a refuse truck bought by competitive bid or was it bought out of town by the mayor?

Does anyone know the price paid for this vehicle? Wasn't a pickup truck still used by the city bought out of town the same way? How much did it cost, and still costing in repairs?

Item 5 page 3 of the auditor's report to the city states: (I am informed that all of the collection stubs for the city tax and utility bills, except for a part of the year 1960, were inadvertently destroyed while the city vault was being cleaned out and rearranged). Why did the mayor order the vault cleaned out just prior to the auditor starting his work?

Elect the below named men who will quit giving away the city's water. We pledge to pay our own water bills and see that everyone else does the same.
