**EXPLORE KENTUCKY... Kentucky's Fun in the Fall!**

Full is the ideal time to explore the many varied wonders of Kentucky... when the weather is mild and refreshing... when school is out and the children are happy... when the leaves are turning... when the air is crisp and fresh... when the sun is shining and the birds are singing... when the harvest is in and the fields are golden... when the moon is full and the stars are bright... when the night is quiet and the silence is deep... when the heart is full and the soul is free... when the world is yours and the future is bright... when the love is true and the life is long... when the joy is pure and the peace is sweet... when the hope is bright and the faith is strong... when the dream is big and the vision is clear... when the spirit is free and the heart is true... when the love is pure and the life is long... when the joy is pure and the peace is sweet... when the hope is bright and the faith is strong... when the dream is big and the vision is clear... when the spirit is free and the heart is true.

**BULLETIN:**

**How to make sure you get every drop of heating oil you pay for**

Now there's nothing out in the market that gives back as electricity as metered heat. Our trucks are equipped with highly accurate meters that measure the exact amount of oil we deliver to your tank.

The meter prints the amount of oil delivered on a receipt. You get the printed receipt as a permanent record.

Meters/deliveries are one of the many advantages we offer our heating oil customers.

For complete details, call us today.
