Choose Wisdom

"What is the principal thing therefore get wisdom, and with all thy getting get understanding."

It is interesting to those of all faiths to know that in this realistic and practical world there are those who, about to explore the outer universe, will pay for wisdom and guidance.

What is the use of knowledge if it is not tempered with wisdom. And wisdom is a product of faith and understanding.

All of these can be found in the church of your choice.

Read your BIBLE daily and GO TO CHURCH SUNDAY
