Earn More MONEY For your Milk!
with an **ELECTRIC MILK COOLER**

You receive more per hundred weight from your present output of milk when you use an electric milk cooler. It can actually pay for itself in a year's time.
An electric milk cooler takes only pennies a day to operate. There's a wide selection of sizes and models for every dairy farmer.

RECC MEMBERS EARN \$1500
Install your new electric milk cooler before June 30 and save a big \$1500.

Mrs. Mollie J. Harris was born in 1856 and was a member of the First Baptist Church. She was the widow of James Harris, who died in 1910.

TODAY'S meditation
Crescent Moon
THURSDAY, APRIL 3
Read 1 Corinthians 9:17
The world is full of sinners and the only way to reach them is through the Gospel. We are called to be faithful and to be true to the Gospel. We are called to be faithful and to be true to the Gospel. We are called to be faithful and to be true to the Gospel.
