CHRISTIAN SCIENCE

"God the Only Cause and Creator" will be the subject of the Lesson-Sermon at Christian Science church services Sunday.

Scriptural readings will include these verses from Romans: "O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgements, and his ways past finding out! For of him, and through him, and to him, are all things: to whom be glory for ever."

This correlative citation will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 275): "All substance, intelligence, wisdom, being, immortality, cause, and effect belong to God. These are His attributes, the manifestations of the infinite divine Principle, Love."
