**THIS THAT AND TOTTER**  
By Warren Fisher Sr.  
Last late and fine to find the sky grey and the air heavy and filled with misty rain. And I am fast to notice with the poet who wrote:  
"What is so rare as a day in June?"

The poor always have with you. I have heard that I should not do the worst, rain, as do I in my dear home. No drizzle, a misty rain, no snow, no meeting in the way. My own, the weather, which does over that it is a beautiful day with which I agree. Being too busy to go to the children to deny it being come to the afternoon engaged in this that and totter and the preparations to come in a new print press, our old totter being full of years and like to convert the phot at my moment. And the expense was so great, and the Lord knows from whence will come the wherewithal to pay for this new machinery as much printing goes to make these newspapers and so on. I wish to see the merchants begin their economies by discontinuing advertising which is like doing their shops to save their here but, what's the good of Philadelphia lawyers could not convince them of it.  
And I cheer myself with the polka-tone that I had

**Thursday, Dec. 17, 1942**  
Mrs. Frances W. McCullum has been transferred from Middleboro to Carlisle as District Supervisor of Public assistance with offices in the court house.  
Evelyn M. Smith is confined to his home in the suburbs with a badly sprained ankle received in a fall, Sunday afternoon.  
The Methodist County Junior Red Cross this week sent to the Medical Center at Bethesda, Maryland a knitted Afghan, six lap robes, 20 utility bags, eight clopping books, according to Miss Mary Lou Campbell, sponsor of the local organization.  
Burlay tobacco continued to advance as the auctions entered the second week of the 1942 selling season, and despite the fact that a 38 cent ceiling had been on the crop, it was traveling at \$1.10 a pound.

**Miss Clouston's Birthday.**  
For several years, I have cringed my next-door neighbor the Marshall children, Mrs. Clouston, and her family. Everything comes to me and I now must refer to the oldest daughter as Miss Clouston Marshall. Her eighth grade student at Carlisle City School, she observed her thirteenth birthday last Friday. When daddy returned from his day's work at Aves, a special supper including birthday cake with candles was served to six members of the family.  
**Critically Ill in Missouri.**  
A few days ago, I received word that my first cousin, the former Mary Crump of Nicholas county, is critically ill at the Methodist Hospital in St. Joseph, Mo., following a stroke of paralysis on Saturday.  
**Fall or Not to Fall.**  
It is said the worst accidents happen in the home anyway. It did not fall in the yard that windy day. I was in the little back porch when my poor man was dodging into a hole in the linoleum and away we all flew through the air. There was not enough room to make a graceful landing so I landed on a small table which refused to cooperate and turned over, dumping a whole passel of tin cans. Great was the noise thereof! It was dark out there and I didn't see any black, only man-made to shift me, table and cans and made it to a chair in the kitchen. Nope, not a broken bone, but must say the toe is still a bit purple and the weather and I would prefer to be all surprised if it is just a little bruise.

For plumed nuts, place 2 cups sugar, 1 cup water, and 1 1/2 teaspoon cream of tartar in a saucepan. Boil to 210 degrees (hard crack stage) or until the syrup becomes clear. Remove from heat and place in a pan of hot water. Place nutmeat halves (1 cup) on top of the syrup and dip to cool. Remove toothpicks.

**Boys Home in Ohio.**  
A lovely Christmas card and letter from Mrs. Lillian Ferguson, formerly of Carlisle, says she has purchased a home in Xenia, Ohio, where she holds a teaching position. The district has an enrollment of over six thousand, with six hundred in the first grade. Seventh and eighth grades with eleven hundred students are in the building which appears to bear her name—Ferguson Junior High—where she teaches math and science. Xenia is the county seat of Greene county and is only three blocks west of U. S. Route 60. It is a Greek word meaning hospitality, and the "latting" is out," says Lillian.  
**Happy Anniversary.**  
Received a note from an old subscriber requesting announcement of the marriage anniversary of a former Nicholas county couple. Miss Zella Small and William Dave Purcell, now of Paris, Ky., were married Dec. 21, 1923, which is 39 years tomorrow. Moving to Bourbon county, they had "The Mercury" go with them which Zella says is a "good hometown paper" and she reads "every word in it" as soon as it arrives on Friday. Thank you, Mrs. Purcell, and may you enjoy many more Fridays reading the news from your old home down in Nicholas. Happy anniversary.
