Carlisle West Homemakers

Carlisle West Homemakers were invited to serve themselves with a cup of tea as they entered the home of Mrs. W. G. Irvin Friday afternoon.

Mrs. Eugene Neal, president presided at the business session.

Mrs. Russell Shrout, gave some excellent information for cutting branches off the evergreens and shrubs to be used in home decorations during the holiday season. Always make a smooth cut and select branches that will not leave a hole in the shrub. If you have planted new shrubs, be sure to water them throughout the winter. New plants need more water to get started.

Mrs. Irvin, reading chairman, assisted by several of the members presented, "The Wonders of His Love", a Christmas worship service, carols with Mrs. Neal at the piano and scripture reading and poems were given.

Mrs. Grimes Caywood served as auctioneer and the club realized $18.65 from the sale of articles.

Wassail and Christmas cookies were served by Mrs. Irvin.

AUDITS APPROVED FOR COUNTY AND CITY SCHOOL DISTRICTS

Frankfort, Dec. 6 — The State Committee on School District Audits has approved audits for 49 more districts including Nicholas County and Carlisle Independent school districts.

The audits to be made by a Lexington firm will cost approximately $300 to $325 for the Nicholas County school district, and $175-200 for Carlisle.

The committee has authorized audits of 94 districts since it was created by the 1962 General Assembly.

State Finance Commissioner Robert Matthews, committee chairman, said the state has funds to finance its share of the cost of audits of all of Kentucky's 206 districts. Under the plan the local district and the State each pay half the cost of the audit.

Isn't electricity wonderful?

Rural people think so—especially at Christmas-time! They remember when the Christmas glow faded away at the city limits. At least it seemed so. Dim lanterns bobbing across barn lots and kerosene lamps blinking through kitchen windows hardly whispered "Merry Christmas." But that's all changed. Farms now gleam with light. Front lawn decorations vie with Christmas displays in town. Now, thanks to rural electrification, neighbors are happy to share this brighter, more joyous Christmas with you.
