Conley sworn-in as county attorney; father to serve in his place due to war

Thursday, January 8, 1942
William Conley, Jr., of the State General Office, War Department, Washington, D. C., was here Monday to be sworn in as County Attorney, to which office he was elected in the November election. He is unable to assume the office, however, due to the fact that his father has been appointed to serve until he returns.

A blaze caused damage to the home of Mrs. J. H. Conley, 115 E. Second St., last night. The blaze started in the kitchen and spread to the living room. The damage was estimated at \$1,000. The cause of the fire was a gas stove which had become overheated.

Mr. Conley's father, William Conley, Sr., is a member of the State Bar and has been practicing law in Nicholas County for many years. He is a well-known member of the community and has held various offices of honor.

William Conley, Sr., was born in Nicholas County, Kentucky, and attended the common schools. He received a Bachelor of Science degree from the University of Kentucky.

Mr. Conley has been married to Mrs. Conley for many years. They have several children. He is a member of the Methodist Church and is active in church and community work.

Mr. Conley is a member of the Nicholas County Board of Education and has served on various committees. He is a well-respected member of the community and is known for his public service.

Mr. Conley is a member of the Nicholas County Chamber of Commerce and has been instrumental in many community projects. He is a well-known figure in the county and is highly respected by his fellow citizens.

Mr. Conley is a member of the Nicholas County Historical Society and has been instrumental in the preservation of many historical landmarks. He is a well-known figure in the county and is highly respected by his fellow citizens.

Mr. Conley is a member of the Nicholas County Agricultural Society and has been instrumental in the promotion of agriculture in the county. He is a well-known figure in the county and is highly respected by his fellow citizens.

Eighty Ships Set Sail In Burnside Expedition

By Lon K. Sease
The Burnside Expedition, one of the largest naval operations in the history of the United States, is set to sail on Saturday, January 11, 1942. The expedition consists of eighty ships, including battleships, cruisers, destroyers, and transport ships. The ships will be led by Admiral Frank J. Fletcher and will be headed for the island of Iwo Jima.

The Burnside Expedition is a major operation in the Pacific War. It is the first time that so many ships have been assembled in the Pacific. The expedition is expected to be successful and will result in the capture of Iwo Jima.

HIGH YIELDS: Telling tales about high crop yields shared by professionals and this year in the winter. And as procedure has removed many of the hazards of tobacco growing, by eliminating several diseases and assuring the quality desired by manufacturers. Kentucky He sold 2,024 bales of sweet corn from a mass of 10,000 ears. It was produced on the farm of Mr. Chester Hill in Southern Todd County. There have been higher yields, such as the 237 1/2 bushels of corn from a single acre on the farm of Mr. M. G. Magginn County, 1941, but Jimmy's yield is the best I know of to be produced on a 1/2 acre field under ordinary farm conditions with no special adjustment programs, and real efforts to make a crop of good land, properly fertilized, good seed, planted in good soil and water or drainage conditions.
