CHRISTIAN SCIENCE
The spiritual relationship of God and man will be brought out at Christian Science services this Sunday.
Highlighting the Lesson-Sermon on the subject of "Man" is the Golden Text from Psalm 8:5: "For thou hast made him a little lower than the angels; and hast crowned him with glory and honour."
Also included in the Lesson-Sermon are the following citations from the Bible and the Christian Science textbook, Mary Baker Eddy's "Science and Health with Key to the Scriptures": "Behold, I send an angel before thee, to keep thee in the way, and to bring thee into the place which I have prepared. Beware of him, and obey his voice, provoke him not; for he will not pardon your transgressions: for my name is in him" (Exodus 23:20, 21); "Man is the true idea of God, the full representation of infinite Spirit; for Spirit is infinite, and all that is not spiritual is unreal. Spirit and matter are contraries, antipodes, the one being the reverse of the other. Spirit is immortal Truth; matter is mortal error. Spirit is the real and eternal; matter is the unreal and temporal. Spirit is God, and man is His image and likeness. Therefore man is not material; he is spiritual" (p. 468).
Sunday School classes for children through the age of 20 will be held at 9:30 a.m. Sunday morning. Nursery facilities are provided for children whose parents wish to attend the Morning Worship Service which begins at 10:45 a.m. Wednesday evening testimony meeting at 7:30 p.m.

THURSDAY, MARCH 8
Read Luke 18:9-14

The son said unto him, Father I have sinned against heaven, and in thy sight, and am no more worthy to be called thy son.—Luke 15:21.

Alone in a Chicago church, a young woman was preferring a request for a service. Something caused her to glance over her shoulder. Standing behind her was a ragged, dirty man, with bent head and saddest eyes she had ever seen. For a second her heart leaped. He would do the straightening up of your life.
How many people plan to clean up their lives before they come to Christ. If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.
PRAYER: O Lord we know that we are coming with an unrighteous salvation for Thine. Help us to see and to Thank Thee for this grace, which makes it possible for us sinners to come to Thee just as we are through Jesus Christ our Lord. Amen.
THOUGHT FOR THE DAY: When I confess Christ forgives.

the local board and register within five days after reaching his eighteenth birthday. The clerk at that time will advise him of his obligation under the present Selective Service law.
One of the most important aspects of the Selective Service System is being today in its capability for rapid expansion in time of emergency. The Selective Service System is the only agency with an inventory of manpower and in event of disaster or catastrophe it is the only agency organized in each of the communities throughout the United States capable of expanding its present functions and assuming necessary additional responsibilities in connection with the mobilization of manpower, not only for the military, but for all civilian activities, including Civil Defense", Col. Stephenson said.

Teams let slumps. Kentucky has been going through one. Alabama, a member of the Southeastern Conference's second echelon, had piled up a seven point lead in the first half. A sluggish Kentucky plodded from behind to win the game. This was in Tuscaloosa. Alabama on the Wildcat's final regular season road trip. That same night some 150 miles east, Auburn was scratching out a come from behind victory over underdog Tennessee. It was obvious both teams were looking ahead to their final meeting in 2 nights later in the game that would decide the NCAA Tournament representative from the Southeastern Conference.
It was a different Kentucky team that flew into Auburn, Alabama on Sunday afternoon. The Wildcats who normally go through their workouts in a cold, analytical business like manner, cheered and yelled as Coach Adolph Rupp sent them through practice. This was the game they had to win. Win, they ive while, turned in an outstanding performance in guarding against Auburn's 6'7" center Layton Johns. Johns had the nation's third best field goal percentage.
