Glenn Dorroh Jr. resigns as coach at Nicholas County high school

Glenn U. Dorroh Jr. resigned his position as coach at the Nicholas County high school in a letter to Superintendent Wesley Nichols Friday.

Dorroh's resignation was accepted by the board of education at a special meeting held Monday night.

Dorroh's letter of resignation is as follows:

Dear Superintendent Wesley Nichols:

When I was hired as basketball coach and physical education teacher at Nicholas County high school for the 1961-62 school term, there was no position for the head physical education teacher and coach. Since that time I have been employed by the full time position of head physical education teacher and coach.

At this time there seems to be no possibility of a full time position under the present circumstances, and this in no way affects my encouragement to continue. Considering the material available, I feel that I have come a long way with the program and I am sorry I could not have done more with it.

I wish to express my appreciation for the cooperation I have received from the faculty, students and the public in general during my stay here.

Respectively Yours,
Glenn U. Dorroh Jr.

Coach Dorroh, a Lexington native, holds a masters degree in physical education from the University of Kentucky.
