Everybody talks about the weather but nobody does anything about it. The same is true with taxes. Unlike the weather which is often forecasted, taxes are generally not forecasted. It is a particularly true with regard to the Federal income tax. While it is stated that taxes are vital to the operation of government, the fact of the matter is that taxes are vital to the pocketbook of the average citizen. It is a particularly true with regard to the Federal income tax. While it is stated that taxes are vital to the operation of government, the fact of the matter is that taxes are vital to the pocketbook of the average citizen.
