CHRISTIAN SCIENCE
Many God-given abilities to depart from evil and do good will be set forth at Christian Science services Sunday.

A number of experiences of a Jacob are included in the readings from the Bible from Science and Health with Key to the Scriptures by Mary Baker Eddy. "Everlasting Punishment" will be the subject of the Lessons.

The citation will be read from Science and Health p. 320. "Rise in the strength of Spirit to resist all that is unlike good. God has made man capable of divinity, and nothing can vitiate the ability and power directly bestowed on man." The Golden Text is from Galatians: "He that is dead is not deceived. God is not mocked. For whatsoever a man sows, that shall he also reap."

INTRODUCING THE 1963 DODGE
A FULL LINE OF CARS IN THE LOW-PRICE FIELD!

INTRODUCING THE 1963 DODGE
The something comfortable in this case is a sleek Dodge Polara 4-door hardtop. It's not a clinging kind of comfortable, either. More like house-boat comfortable. Lots of room to move around in. See how the roof sweeps straight back instead of rounding off. That means plenty of headroom for passengers, front and back. Seats are sofa-soft and chair-high. All Dodge models offer this kind of comfort at a variety of prices. Call for a number of interesting terms for the male set, too. For economy, a hustling 225 cubic inch 6. For action, a stable full of V8 horsepower. For assured satisfaction, a revolutionary new 5-year/50,000-mile warranty.
