

FARM & HOME
 them so fast that they miss the wonders around them that help make this an important day in their life. This new school year presents a real challenge to all of us. We each have the responsibility to be our best self. This best self is an excellent example to all those around us, to take today and use it to make a better world. We can help our students feel strengthened by our thoughtfulness for their welfare. Each time we help any person feel more adequate, we have become a better educated person in the school of life. Let your children "catch" this attitude from you, to feel your awareness of today. Even though it is sometimes hard, don't hurry them so fast that they reach the end of today without having lived it for all its holds.

Picture of a man chasing a rabbit.
 of course!

IGA RED CARPET SERVICE

Carlisle F. H. A. News
 The Carlisle Chapter of the F. H. A. held their first meeting on Sept. 10 in the home Ec. room. Leanne Roberts, president, called the meeting to order. The members sang the Kentucky F. H. A. song and then Faye Lynn held the devotional. Since there was no old business, no roll call, and no minutes of the last meeting, the new business was taken up. Sue Tapp was elected song leader by acclamation. Elected by Mrs. Clay Dayton and Mrs. Paul Guthrie as chapter mothers for the year and Steve Ockerman as the chapter brother. Mrs. Ralph Taylor talked about the forthcoming youth fair and urged the girls to make a entries for it. Leanne Roberts set the date for the meeting of the Program of Work Committee for Sept. 10. The next business was how to make money and selling canned goods was the best idea. We said the F.H.A. creed and after the prayer, meeting adjourned at 3:45.

Calendar were filled out for the new year. After the business meeting we adjourned for a most delicious lunch. In the afternoon the lesson on "Pillows" was given by Mrs. Margie Wilson. "Secret Pills" names were exchanged.

The next meeting will be held at the home of Mrs. Jack Tischer. There were 10 members and Mrs. Wilson present for the meeting.

Color Movie depicts state highway program - FRANKFORT, Ky. Sept. 19 - A new color movie about Kentucky and its expanding highway program was shown free of charge, Wednesday, Sept. 19 at the Nicholas County court house at Carlisle.

The showing began at 7:30 p.m. and representatives of the Kentucky Highway Department were present to answer questions and discuss local highway and road projects.

Filled entirely in Kentucky, the motion picture shows the progress being made on all types of roads in the state - from interstate routes and turnpikes to rural highways and county roads. The film also explains where the money comes from to build roads and highways in Kentucky and how it is spent.

Concord
 by Mrs. Allie Tapp
