small fry make big hot water demands
get plenty from a safe, fast-recovery electric water heater
The smaller they come, the bigger the need for lots of hot water. That's exactly what an automatic electric water heater is built to do—a big supply, piping hot. It's built to be safe, thanks to flameless electricity. That feature goes over big with safety-conscious parents. Your plumber or contractor can help you pick the size that's right for your family.

BUY YOUR ELECTRIC WATER HEATER NOW. WE'LL HELP PAY YOUR WIRING BILL.
If you change from 30 to 45-gallon, 100-wattage service, and install an approved electric water heater, we'll pay \$25 on your wiring bill.
