One of the happiest trips your family can ever take — toward all the wonderful conveniences and comforts of total electric living. And the "fare" is less than ever! Any customer using over 100 kilowatt hours a month qualifies for KU's lower rate — a rate that gets progressively less — down to 11^c per kWh if you use over 1000 a month, cooking, heating, your water and home electrically. So go first class — go all-electric — the world's biggest bargain in modern living!
