And a bright New Year to all!
We pledge a continuation of our persevering efforts to bring to our Members Owners the best possible electric service at the lowest possible cost.
Though we have shared a quarter-century of progress, there is still much work to be done to bring the full benefits of electrical living to all our people.
This Christmas, let us pray and give thanks for our many blessings. Let us renew the spirit of cooperation which brought light into darkness. Let us face the future with the same vigor and foresight which brought electricity to rural America!
