

# Henryville

by Harrison Hamilton  
John Lane, Miss Betty Hines and friend of Mr. Sterling, visited here Sunday with her sister, Mrs. Robin Ledford and friends. Catherine Saunders, Mrs. Carrie Johnson, Mrs. Mary Williams and Charles Allen Jones of all of Cincinnati visited here Sunday with relatives.

Mrs. Alene Clark is a patient at the Nicholas County Hospital.  
Mr. and Mrs. Clarence Young of Middletown, Ohio, and friend visited here with relatives and friends, Sunday.  
Richard Johnson of Cincinnati, visited here this past week with relatives.  
Mrs. Mary Ann Moore visited in Lexington over the weekend.

# Saltwell

by Mrs. Fred Hollar  
Mr. and Mrs. Freddie Gause spent Tuesday with Mr. and Mrs. Bonnie Gause and son, of near Odellville.  
Mr. and Mrs. E. L. Gause and children of Stone Creek, spent a night guests of Mr. and Mrs. Fred Hollar.

# Use a PCA Budget Loan for 1963 FARM PRODUCTION

"PCA PROVIDES MONEY WHEN YOU NEED IT AT LOW, SIMPLE INTEREST COST."

Now you can use your PCA line of credit for 1963 farm production. It's a budget loan program that lets you borrow money when you need it. You can borrow up to \$1000.00. The interest is low. You can pay it back when you need it. It's a great way to get the money you need to get your farm production started.

Month	To Pay For	Amount	Interest	Balance
March	Feed	\$ 100.00		\$ 100.00
April	Seed	50.00		50.00
May	Feed	100.00		100.00
June	Seed	50.00		50.00
July	Feed	100.00		100.00
August	Seed	50.00		50.00
September	Feed	100.00		100.00
October	Seed	50.00		50.00
November	Feed	100.00		100.00
December	Seed	50.00		50.00
Total		\$1000.00		

Your PCA Simple Interest cost on the above program would be \$127.10. Interest for the entire year would be \$127.10. Your PCA budget loan saves you \$43.38.

"You'll Do Better with PCA"

# Hay Running Short?

Here's a way to avoid buying hay at inflated prices: Stretch out what you have. Feed your animals the ration. Make up the difference with Western States Forage Extender. This low-priced formula concentrate gives your cattle or sheep their nutrients at lower cost than high-priced hay. You save money, meat and milk too. Forage Extender has 12% protein, added vitamins and minerals.

Order Some Now \$3.75 per cwt.

# Wool Payments Apply to Sales Made Before April

Wool growers were reminded today that the 1962-63 wool payments will be made this summer, will be made March 1, 1963. After March 1, 1963, the closing date for the 1962 program.

R. O. Wilson, Chairman Agricultural Stabilization and Conservation Service, also pointed out that applications for such payments under the 1962 wool program are to be filed before the end of April 1963.

He emphasized that the information on payment applications is to be supported by adequate records of the sales. For instance, producers' sales records for wool should show name and date of buyer, date of sale, name and address of producer, net weight of wool, and net proceeds to producer after normal marketing deductions.

Payments to producers for the 1962 marketing year will follow the same method employed for previous years. Shorn wool payments will be equal to a percentage of each producer's cash returns from wool sales. The percentage — to be announced later this year — will be that required to raise the national average price received by all producers for shorn wool during the marketing year to the incentive price of 62 cents per pound.

Lamb payments will be made to each producer who sells lambs that have never been shorn. The payment will be at a rate per hundred pounds of live animals marketed to compensate for the wool on them on a basis comparable to the incentive price.

Fun For All!

We want to make a point: that the Case 3-plow 430 and the Case 3-4 plow 530 Dyna-diesel tractor cost less to operate than any comparable tractor on earth.

Yes, both already are world's diesel fuel economy champions in their classes. And here's your chance to own a Case 3-plow 430 or 530 farm tractor!

If you purchase a new Case 430 or 530 farm tractor between January 15 and Feb. 28, 1963, we'll send you our check for \$135 payable in cash. How much No. 2 diesel fuel can you buy locally for \$135? Figuring a national tank wagon average price per gallon of 16.9¢, that's 850 gallons.

In a Case Dyna-diesel diesel, that's much more diesel fuel than you'll likely use in a year's work — with a healthy amount left over for next year!

Let electricity do your work. A few inexpensive electrical power tools make repairs the easy way. A circular sander takes the sweat and time out of metal or wood working... an electric drill makes so many jobs simple.

Yet, all these time-saving electrical power tools cost only pennies to operate. This is another example of how we all live better thanks to low-cost rural electricity.
