Parks Homemakers

Mrs. William F. Williams

Mrs. S. R. Barlow was hostess to the Parks Homemakers Club, which met at her home Thursday, February 7.

The meeting was called to order by Mrs. Warner Lowe. The devotional, "Bible Study and Prayer," was given by Mrs. Kash Grimes. Eight members, one visitor, Mrs. Margie Richardson, and Mrs. Margie Wilson were present. Mrs George Moreland is a new member.

The club checked a questionaire on safe driving in the citizenship program. Mrs. Sherman Hollar read a report on, "Your Responsibilities if You're Involved in an Automobile Accident."

The lesson, Accessories for the Home, was given by Mrs. Wilson.

A sunshine box was sent to Mrs. Albert Hamilton, who is ill at her home.

Other members present were: Mrs. Gilbert Terrell, Mrs. Horace Bell and Mrs. William F. Williams.

Headquarters Homemakers

By Mrs. Veach Delaney

The Headquarters Club met at the Assembly Room in the Post Office Building February 5. There were 13 members, two children and Mrs. Margie Wilson present.

Devotional was given by Mrs. Calvin Wills and Mrs. John Holland.

Mrs. Lawerence Rankin, acting landscape chairman, gave a quiz on the things we have learned from our landscape notes.

Mrs. Emmett Darrell, president, presided at the business session. Mrs. Darrell and Mrs. Wilson gave a report on Farm and Home Week held recently in Lexington. Mrs. Darrell also announced that all the clubs in the county would have a Talent Show March 29, at the Nicholas Co. High School.

After a pot-luck lunch, Estill Noffsinger, our new county agent gave a talk on "Gardening". He told us names of new seeds to plant and some ways to improve our vegetable garden.

Mrs. George Dale and Mrs. Reynolds Allison gave the lesson on "Accessories for the Home." They told us that accessories do for the room what seasoning for food. When they are well chosen they add flavor, color and bring out the best in the room. There are many accessories on the market which are beautiful, but before buying consider what you have. You may own old dishes and glassware that are lovely. Bring out a few for accessories, you, your family and guests can enjoy them.

We enjoyed a Valentine Party with Mrs. Dale, recreation leader in charge.

The meeting place for March will be announced later.

F.H.A. SCHOLARSHIP DRIVE UNDERWAY

The Nicholas County Chapter of the Kentucky Association of the Future Homemakers of America observed February 15 as Scholarship Day. A goal of $24,250 was set to finance 17 scholarships, which will be presented during the State meeting in June.

The girls who apply for scholarships must have their State FHA Degree, plan to major in the field of Home Economics in a Kentucky college, and be recommended by her chapter and school as a responsible person.

The Nicholas County Chapter will be carrying on special activities to help reach the goal. The Scholarship Project is one of the state projects of the Kentucky Association of Future Homemakers of America.

At our last meeting in February we will measure all of our members' waists and they will have to pay a penny for every inch.
