All the water in the

However hard it tried,
Could never sink a ship.

CHRISTIAN SCIENCE
"Christ Jesus" will be the
subject of the Lesson Ser-
mon this Sunday at All
Christian Science churches
or society.
"I am the way, the truth,
and the life: no man cometh
unto the Father, but by
me." These words of Jesus
Master taken from John's
Gospel (14:6) will be used
as the Golden Text.
"Therefore, my beloved
brethren, be ye steadfast,
unmovable, always abound-
ing in the work of the Lord,
forasmuch as ye know that
your labour is not in vain
in the Lord." (1 Cor. 15:58)
is one of many passages
that make up the Scrip-
tural readings.
From "Science and
Health with Key to the
Scriptures" by Mary Baker
Eddy this citation will be
read: "It is possible...
yes, it is the duty and privilege
of every child, man, and
woman...to follow in some
degree the example of the

All land owners were re-

being typical of what might

EASTER SEAL DRIVE
The Hearing and Speech Cen-
ter, Louisville and Camp
Kyoc, Carrollton.
The statewide program of
the Kentucky Society in-
cludes physical and occupa-
tional therapy, medical
care and hospitalization,
special schooling, resident
camping, transportation,
and hearing and speech ser-
vices for children crippled
by many causes.
"Easter time is the time
for all of us to keep faith
with the crippled children
in our communities," Isaac
said, "and the Easter Seal
appeal gives us the oppor-
tunity."
Isaac added that 90 per-
cent of the money remains
in Kentucky to help provide
direct services for the phy-
sically handicapped. The re-
minder helps support a
research and education.
A successful 1952 Easter
Seal campaign will enable
the Society to reach more of
Kentucky's physically
handicapped youngsters, he
added.
