Work on the new school building began some weeks ago. The work is not ready for the opening of school. Classes were held in the basement of the school building.

Consider the amount of time and different jobs done around the school building. It is not surprising that there are plenty of chances to help.

I wish to publicly thank Mrs. L. S. Smith and Mrs. Ed Metcalfe who were members of that graduating class of the Carlisle high school in 1933 for the following bit of its interesting class history.

My family joined the Church in 1860. My father, John W. Smith, was a member of the church.

HELP PREVENT ACCIDENTS

Johnny White, Sanitarian

In the past there have been many accidents around the home. Most of these are caused by carelessness in using tools.

Frank work, there is always the chance of being broken

Frank work, there is always the chance of being broken...

So on guests and to dinner, to which I do full justice always on a Sunday, though protesting that care not for a mid-day meal.

So one day, I may, after a while, contentfully to sleep...
