Notice To All Property Owners
The 1963 Kentucky legislature passed a new law and section 132-690 reads as follows: "All taxable real property or interest therein subject to assessment by the County Tax Commissioner shall be revalued in 1963 and each four years hereafter in accordance with the Standards prescribed by the Dept. of Revenue."

I ask all property owners to visit my office during the months of January and February and discuss their property values with me. It is also time to list all improvements for 1963 tax purposes.
