Accidents Show Decrease Here

FRANKFORT, (Special)—Accidents on the highway decreased in Nicholas county during 1962, as compared with 1961 totals, says State Safety Commissioner Glenn Lovern. Releasing the comparison of traffic accident totals at Frankfort, Lovern said "The people of Nicholas county are to be congratulated for reducing accidents last year. In view of the fact that almost three-fourths of the counties experienced an increase, this county can be proud of this achievement."
